Learn how to use style to be your most gorgeous personal, attract good fortune, and attract everything you desire most. Discover how to select clothing, shoes, jewelry, and additional accessories with simple assistance that may help you look and feel your very best and manifest positive existence changes. Drawing on astrology, feng shui, the Steering wheel of the Year, moon phases, and even more, this original mystical fashion guide teaches you how to build a wardrobe of gorgeous items that will express your true essence and attract what you desire most. Far from being superficial, fashion with intention could be a powerful, life-affirming practice. Put together empowering outfits every day--and for every occasion--with simple guidance on everything from the colour, material, and design of clothing to gemstones, nail polish, and tattoos. Popular writer Tess Whitehurst explains how to build a wardrobe of beautiful items that improve your characteristics and personal magnetism.
