Incredibly bigoted and misogynistic. Not well worth \$8 and cage but also not worthy of returning. Unfortunately simply because he started studying it, we found that it isn't funny at all. Must Have Book. Here's a sampling of some of the sayings in this book: Crotchety Old Men. One Star Book is quite small The size of the book! Extremely disappointed with this. "Think homeless people are just lazy and may log off the streets if they really tried." "Suspect anyone with facial hair of being a terrorist. Funny book Pocket size book Get a Microscope!" It's 130 pages of this. There are a few funny parts nonetheless it clearly shows the author's political bias (to the Left) and I think politics should be left out of books whenever you can since we as a culture haven't been more polarized with regards to that. Literally half of a pocket size book. I will return it. Don't waste your money. What a joke. That was its redeeming grace. "Believe only gay folks have AIDS." "18 for this nothing. This Reserve Is Super Small Appear, it's pretty funny and cute general but don't be an idiot want me personally and check the sizes of the reserve before you buy so you know what you are getting! I was expecting a "normal" sized publication and instead an extremely small reserve arrived on my doorstep, it looked to be how big is a mini children's story.. I will be returning this book! It is ridiculously small! Too small for those who have poor eyesite This book is quite small. I paid no attention to the size but won't make that mistake again. I got it as part of a retirement present but feel bad because it's not readable or handle. The good thing is I used it instead of a card. "Don't understand African-American names and think they should almost all be called Mary or John.. It is so small !! I thought this is an actual publication, not really a shrunk down edition. Please read description carefully--it is not a full sized book! Don't buy this I bought this simply because a funny extra present for my husband's birthday. I thought it might be a adorable joke.
