Love and relationship, romance and intimacy...everybody wants it, but it seems just the select few get it. Why Men Marry Bitches is a sharp-witted manifesto that shows women how to transform a casual relationship into a committed one. Never shy and usually laugh-out-noisy funny, Sherry Argov's Dating can feel like a get in touch with sport and modern mating rituals can be not possible to decode, with small consensus on the guidelines of engagement and both sides tired of the game. \*How can she convince him dedication was his idea? Pleased you asked...s an intelligent woman looking for a devoted relationship to accomplish?s emotional buttons? \*How can she invite a proposal without saying a word? Greater than a self-help manual, that is a life skills handbook that men and women can relate with, whether single, recently courting, lately separated or prepared to embark on another level of commitment in a current relationship. Going directly to the foundation in candid interviews, she shares an enlightening look into the psychology of the male brain. Insightful, empowering and hysterical, this indispensable information will reveal in honest fine detail: \*How do guys manipulate a romantic relationship to keep it informal? \*Do men deliberately force ladies' With the grittiest of girlfriend-to-girlfriend confidence, Argov removes a child gloves (knocking off your rose-colored glasses in the process) and explains why being extra good won't necessarily get you that wedding you've always dreamed of, and is more likely a sure way to disappointment. Why Males Marry Bitches will reveal how exactly to set healthful boundaries, embrace your independence and take charge of your happiness, so that you exude the kind of sexy confidence which will win his center and get the like, respect, and loving relationship you deserve.
