Lloyd Boston is certainly your individual fashion consultant! What 10 years is this guy living in?? I was amazed.. He also gives you the framework to create clothes without causing you to conform to a specific style. In the end what may function for myself might not work for another woman. Lloyd gives you the reader to customize your personal appearance. I felt his suggestions were wonderfully offered and didn't overwhelm the reader. It was arranged by time of year/month which in my opinion was helpful.) Style Guide Better for someone without design themselves. I'm proud to say it reserve will stay in my own personal collection. My pet peeve, insisting that everyone should use heels, shows up constantly. He actually knows what women need and desire out of their wardrobe and this book is really my new go-to guide to staying stylish. The Ultimate Fashion Guide With so many fashion books to choose from these days it could be hard to look for a good one.. Daily you find out more and more.? don't bother There have been 3 ideas worth reading: Get colored safety pins (black) for emergency repairs, try using a wire hanger hooked to the zipper tab to zip the back of a dress, and a white suit can be nearly as versatile as a black suit. Don't bother, it's all been stated before.I anticipate reading the sage guidance in this book for several years to come!! simply purchased two more copies of this book for Christmas for:1)my extremely chic hairstylist friend2)my pal whose daughter is going to college for a degree in design. (This is an excellent book for mom and daughter to talk about.) Five Stars Timeless advice! Hints and tips from one of the masters of the style universe. At the recommendation of my mother-in-law, I bought Lloyd's "Before You Put That On" and have been nothing but pleased since receiving it the other day. It is a classic well crafted and planned out style guide that each woman should have. I've seen Lloyd's style segments on different Television shows over the years and also have always been an enormous fan of his basic modern style. Great Advice from an expert for Real People and Real Life. Makes Style Simpler EACH DAY This book simplifies style with timeless advice. Besides that there was a paucity of useful concepts and suggestions that haven't been released in dozens of other (less expensive) books within the last couple of years. As another reviewer pointed out, there were a lot of photos of the author, little in the form of helpful illustrations, and several "experts" touting their very own line or cosmetic company. Well done Lloyd I am your newest lover! (Hey, maybe I should write a style reserve? I purchased this book for myself in 2010 2010 loved it immensely. Great Advice! Great Book! Must have bought it years back.? It helps with that you know you should not have bought. He provides precisely what he mentioned which are of help, practical daily fashion advice.. book review i love lloyd boston, this is such a great reserve, its hundreds of great fashion foward ideas to add to your wardore Before You Buy This Book This "suggestions" is indeed antiquated, yet the writer presents it like it's the Holy Grail. Nothing too special. .? It's easy and simple to read. Its ok.? I purchased this book regardless of the mixed reviews. I stopped reading right there and then therefore i don't know if he drops other pearls of wisdom that my mother told me 50 years back: like to never leave the house without a clean handkerchief. Or a lady generally wears a petticoat .. Thank heavens designed for Amazon's refund plan! After many serious ankle injuries, this just isn't possible, and I understand I am not really the only one with physical issues preventing heels. I experienced no idea who Lloyd Boston was ahead of my purchase which made issues better for me because I had no preconceived ideas as to what this book should and really should not be.? Just like the simple format. I usually offer my books after I've read them. Actually?. Hard to fail with his simple recommendations. again Tips and information that help you look your best all the time Lloyd Boston had completed it again Guidelines and information that help you look your best at all times Its ok!? I totally dropped it when one of is own "insights" was that my sneakers don't have to match my bag! Dont waste your money
