INSIGHT FROM ANOTHER PRACTITIONER We am a RN, ANS (Aesthetic Nurse Expert) who performs Botox treatments. He offers great "pearls" with injectables and is very artistic! This publication is FABULOUS, and far better than another reserve I bought, ("Botox", by Dr. I RECOMMEND this to anyone as the ONLY publication you should buy if you wish to understand even more about Botox.. Unlike another reviewer, I missed his book at all self-promoting. Kane presents the info in an a straightforward to comprehend style, and his experience and knowlege shine through on every web page. Ron Shelton). ARNP Changed my perspective totally!. Dr. I ran across this book by accident while I was looking for a publication on excercise and beginning thumbing through it, merely to find what the fuss was about.essential read for new practitioners Kane is an excellent speaker in conferences regarding many aesthetic procedures in addition to a gifted plastic doctor. I bought this book to have in the waiting space for individual education and, naturally, examine it myself to examine this content and check factual statements before making it available to my sufferers.K.W. Excellent fundamentals about Botox. Of course, I bought the book and read it cover to cover. It had been like having him in your living space explaining how everything functions personally, one-on-one. When I noticed the before and after pictures - wowl. Although I wear make-up and do focus on my appearance, I have never thought that I'd "buy into" any type of plastic surgury - although I have to admit that as a female over forty I have been a bit curious. Plus they aren't of models or beautiful people -simply everyday people like you observe anywhere.!Kane!! I'm nearly ready to schedulae an appoitment with my regional doctor yet, but you shouldn't be surprised if you see me with visibly much less wrinkles come Christmas!! This book is really great! Being a presenter, I know that a person understands a topic top the level to that they can teach it. Dr. Kane conveys his huge knowledge of everything to do with botox with such clearness that upon completeing the publication the reader has every question answered. Forget the relax this is actually the Botox bible! Dr. Kane has been a college student of "His" breakthrough procedure for over ten years and you will agree that there isn't anyone on earth who knows more about Botox. There are even more books and information coming out everyday by those who are attempting to profit from this quickly growing field but make sure you read this one! Some people like to examine books by skipping around. I think it's best to let Dr. Kane and begin! I'm sure you will consent, even if you aren't thinking about using Botox, it's a fascinating read! The Best Botox Publication You'll Ever Read This book explains everything. It sorts out all of the bits and pieces you have found out about this wonderful fresh technique. A method which allows us to at least slow down the maturing clock if not turn it back only a subtle bit at a time! I right now feel confident more than enough to make that phone call to Dr. Kane consider you through step by step his way, so that you can truly reap the benefits of his expertise. Thank you Dr. The writer speaks plainly no extravagant medical conditions or hollywood buzz-words.
