I love this book and constantly make reference to it to bring me back again to my foundation. I have been doing hair 20 years now and started with this reserve. Demetrius qualified me Sassoon cutting and this book often brings me back again to my base. I had more good luck going you tube and watching videos One Star Cannot believe I was dumb more than enough to order this book. Live, Love, Laugh, Enjoy!! Ideal condition. Fabulous device to have to assist you to elevated your skills! MUST HAVE for hairstylists!. This book had not been worth the amount of money, I thought .! Though it is older styles it brings you back to the basics of haircutting. If you are significant about cutting get this book Must Have! Vidal bible! This is a must have for hairdressers who are looking to perfect their precision hair cuts. However, I truly expected more for such a high price. Glad I acquired another one. A+ Publication offers many pictures not drawings as stated in a review above. Easy to follow and I am a manual visible learner.. EASILY can understand the book so can anyone else. Five Stars Love it Five Stars Perfect! I saw instant success in the turnouts for my bob and blunt cuts and also have only had the publication for 3 days..! cutting book I love this publication! I lost my prior book so this was a replacement. I own this book because its base is critical to me everyday that function behind the seat! This book comes strongly suggested from professionals in the industry and from my personal knowledge gain from the reserve. This is the era of my start in hairdressing. Enjoyed it immensely Great for students stylist A bit of history A great book.. This book had not been worth the amount of money, I thought it would tell how exactly to layer hair and cut nonetheless it only showed how exactly to do a few outdated styles and didn't explain anything about how to do layering. It appears that regardless of what I learn in locks cutting all the new methods are centered around the 5 basic Sassoon cuts. Five Stars Amazing! I could get far better by logging on to You Tube. informative Very informative. I can get much better by logging on to You Tube I purchased the reserve because I was raised with Vidal doing hair.
