A Gentleman's Guide to Beard and Moustache Management

[continue reading](#)

The essential grooming guide for the bearded or mustachioed gentleman Readers must ask themselves: Have you any idea how exactly to trim your whiskers properly? With beards and moustaches popular than ever, this delightful little book sets out to reply this pressing issue.demonstrates how exactly to wax, polish, and keep maintaining your face furniture in order that it is certainly always in tip-best condition. And if a trim is not required, then it a break down of styles; Together with these manly grooming ideas is helpful information to famous facial-locks aficionados, from Karl Marx to Ned Flanders; and a perambulation through hirsute background, including an explanation of why the beard was regarded as sacred by the historic Greeks.
