14,000 Things to Be Happy About.: Newly Revised and Updated

[continue reading](#)

Something to be content about: This mesmerizing bestseller is revised and updated. Originally published 25 years back (content anniversary!) from a list that Barbara Ann Kipfer started making as a kid, it' No opinions, no explanations, no asides, no footnotes, editorializing, or proselytizing. And it today has 4,000 fresh and more current factors to be happy: Rabbit tracks in the snow. Scoring super-high on a Scrabble convert. Caramel gelato. Kiteboarding and kitesurfing. Babies burping. With its chunky form, striking black-and-white cover, and 100 whimsical illustrations by Pierre Le-Tan, the new 14,000 Items can be an irresistible catalog of good thoughts completely up to date to reflect today' Big reddish barns. Light cupcakes with multicolored sprinkles. 20 a few minutes all to yourself.s the publication that marries obsession with joy.s world—Summer storms. Simply the simple premise of a summary of things which make us smile.and an uplifting gift for people of all moods and all ages.
