Wonderful photos This book is lovely. The photos of the sloths are great. I'd have liked a little more information about sloths. And the rates throughout the book are worthy of reading. They seem so interesting. The writer includes a few paragraphs in what makes them exclusive but I possibly could have read more! Five Stars definitely adorable photos of these enchanting critters. good narrative as well. Cute This is really cute. Cute little book Bought this for a pal who's favorite pet is a sloth. I did look through it before wrapping it up and discovered it to be extremely cute with some great quotes and phrases to live by. Will certainly buy a copy in the future for myself. Wonderful little book! I believe it's a rip-off. I must say We was shocked at the tiny size of the publication. It's 145 small webpages. I feel ripped - off and I haven't also read it. I purchased for my husband who's a SK fan. Adorable Photos of Adorable Sloths I'm always seeking for sloth products for a sloth- obsessed (adult) daughter. I don't think the book could be much smaller. enthusiast or no lover! This can be my last buy of SK if this is the new trend. Five Stars Great pictures and rates. I'm anxious to discover what he'll say. Such a delightful book. Precious little book with beautiful photos of these amazing animals Many thanks very much!! So glad I purchased it. All age range will enjoy these pictures. Many, many smiles Smiles from the reader and smiles from the sloths. Fun pictures Great reserve for a granddaughter who loves sloths! Stephen King's most recent book - "Elevation" - REALLY SMALL! Five Stars What a cute reserve and great gift. Great picture book with wonderful and thoughtful commentary. I cherished it! This is a picture book of sloths with education and also entertaining comments.
