great to give to someone convalescing This book is truly a treasure..read it to lift your spirits while the text highlights different daily encounters in human life offering enjoyment.. One item per web page accompanied with a straightforward colored drawing so the viewer can easily turn pages and collect spirit living gratitude. Nearly 4 1/4 inches square but about 1 1/4 inches solid... Five Stars I love this book! It isn't an in-depth book so in retrospect I selected it. Fun tickler book of small pleasures with bits of advice sprinkled throughout I like this little reserve or simply because titled "The Tiny of Tiny Pleasures". What a Gem! This little book is filled with happy thoughts. Each web page is like eating an individual, beautifully covered chocolate. You will love it, I guarantee. Not all of them suit my life but there are more than enough that it does help remind me of things to pleasure in and also bits of helpful advice here and there. This book is sweet, precious and charming atlanta divorce attorneys way! It isn't "too lovely", silly or ordinary dumb, as many books of the type can end up being. I purchased this for my sister-in-law, your physician, as a little cheer up present when she was going through a difficult time. Just what a beautiful little book Just what a beautiful little book. (I've) Another good one to for the convalescent because it doesn't take much concentration but will contain some"meat" is The Holy Guy. Buy two--one for yourself and one ready to give. It is usually more like a collection of reminders or tickles on small pleasures. Great Gift!! The Tiny Book Makes me feel great and upbeat. If you want a pick me up this reserve could it be . Super nice gift for yourself and others.My granddaughter loves it. My Granddaughter Loves This Book I really like this little book. She adored it and has mentioned to me how many situations she's picked it up and browse a few pages just to give herself a smile. A few of the colored webpages with the white writing are hard to read, but overall a wonderful book. Tiny book of Joy So cute! A little book about tiny actions to take to make you and those around you happier Makes an excellent gift! Availability Fun just because gift for my child. Quality pages. Cute book. Five Stars such sweet little paintings Just what a great little find I really liked scanning this reserve fun colorful pics with every estimate there were so many cool items listed in the reserve that made me smile when We read it ones that's not listed in other books to be thankful for like tiny satisfaction of rediscovering a clothes item in the rear of your closet, a pre warmed bed, a thing that falls yet doesn't break. I purchased 8 copies. Wonderfully small thing ! Yes, I am still thinking about making that savory sunrise oatmeal. Love the simpleness and at the same time how well done this book was come up with, I even began to be more aware of the tiny treasures we have all around us.! Thanks a lot a lot.great to provide to someone convalescing. Functions great as a small gift. Five Stars Highly recommend
