Fictionally Fabulous: The Characters Who Created the Looks We Love

[continue reading](#)

Anne Keenan Higgins takes visitors on a one-of-a-kind, utterly irresistible tour of fashion history through our favorite design icons of film and tv whose designs are available on best-offering gift product and books world-wide; Each fashion hero is normally showcased in gorgeously whimsical style by Higgins, who offers stunning views of their most remarkable moments, inspiration boards, and profiles describing each character's signature design and trend-setting impact. Fictionally Fabulous is a full-color illustrated guide to a large number of beloved characters who changed the facial skin of fashion: from the flapper era embodied simply by Louise Brooks to polka dot-studded housewife Lucy Ricardo, working-girl chic Mary Richards, tartan-skirted Cher Horowitz in Clueless, the Scandalous Olivia Pope, and all our favorite style stars in between.

The perfect gift for everybody who loves fab fashion & pop culture!. Writer &. The accompanying text message provides context and delicious details for every character's unique impact on modern fashion. For anyone interested in Fashion or Film Anne's illustrations are whimsical, beautiful and precise and combined with composing that concisely describes the style and traits of its personas this book is crucial have for anyone interested in fashion or film!. Author missed the mark Received the book today. Need to say I love it, BUT the writer do a disservice to herself by not really entering one beautiful fashion icon.. There are 35 profiles in this compact, superbly crafted gift book and each one is fantabulous! I simply got this cute little gem yesterday!. I bought 1 for me and 1 for a woman .The designs she wore in Pillow Speak specifically were absolutely gorgeous, she missed the mark!Grace Kelly, Lady Mary Crawley, Mary Richards, Carrie Bradshaw and Holly Golightly to name a few. The illustrations are spot on and a little history lesson on top of that!Thank you. For lovers of style, films and TV. Great collection of fashionably fabulous fictional heroes from movies and TV. Very disappointed, my child will love the book as well, but I know she will feel the same. A beautifully illustrated tribute to the women who influenced the fashions of their day. Plus, it looks like I'll have to buy a different one for my child who's a budding artist, she believed the book was on her behalf! Uiva Mary Tyler Moore & It shows the fantastic glamorous styles through the decades. Beautiful illustrations and the perfect synopsis of each character!. This is a book to enjoy and treasure, and a perfect gift to give again and again. I got many copies, one for myself and the others as gifts. This is so clever and fun! Anyone who is thinking about art and fashion . all of the glorious gals in these web pages!. This is so clever and fun! Anyone who is interested in art and style will like and cherish this publication! A Fabu espresso or bedside table book! At the holidays, I will buy more as presents, for sure!.An excellent book for the fashion, movie and artistic lover in you! fun well done lots of fun Five Stars great book! The one character I want was in it was Sabrina, Audrey Hepburn wore some fabulous outfits for the reason that movie too!!It's compact so I can display the book at work and it gives me a chance to look at it when I want a deserved and needed eye candy break! A style must have Unquestionably delightful!! AKH is the best graphic artist and I make an effort to collect anything she creates therefore i jumped at the chance to get this book about a few of the best characters and fashion!! A Charmer! Tres chic! LOVE THIS LITTLE BOOK OMG!Doris Day must have been represented in this publication.. illustrator Anne Keenan Higgins provides chosen wisely among pop culture's style icons and treated each carefully, replicating their glam appears in picture-perfect detail. I bought a single for me and 1 for a woman who LOVES fashion.This review does not have any negativity towards owner, they did their part, hoping that perhaps the author reads her reviews and sees this!. Fun, fast and delightful. LOVE THIS LITTLE BOOK!Aside from just a couple of ladies, AKH choose the best movie characters and provides a brief detail as to the reasons we love them so much!
