A lifestyle instruction inspired by the Queen of Pinups -- Bettie Page -- THE TINY Book of Bettie presents real advice on fashion, makeup, fitness, and even more for today's modern female who loves just a little dose of retro. The celebrated Queen of Pinups styled her own iconic hair, did her own make-up, fashioned her very own swimsuits, and was before her time in endless ways, making her a source of inspiration to stars like Madonna, Beyonc? Filled with both color and black-and-white images, The Little Book of Bettie is a beautifully gifty, celebratory look at the groundbreaking design of one of the biggest icons of pop culture. There's so much to be learned from her! Against the background of the conservative 1950s, Bettie Web page was an advocate of enjoyment, fun, liberation, and body-positivity. Within THE TINY Book of Bettie you will discover: Retro fashion and styling suggestions Bettie-inspired fitness routines Information from "Bettie Babes" like Dita Von Teese, modern-time pinups and entertainers, and everyday women who love Bettie!, and Katy Perry.

Cute book As described Well written and informative Loved this book! Pinup tips for contemporary girls A wonderful little book full of Bettie inspired tips like fitness, fashion, pinup crafts and pinup advice and inspiration from modern pinup young ladies. Lots of gorgeous photos of Bettie and contemporary pinups. Unfortunately not as good as could possibly be due to pictures of copycat models who are not overly attractive.. Unfortunately much less good as could be . Great subject.. Great subject.
