Amazing starting point I don't usually leave reviews on Amazon and I purchase a large amount of books! This book was an easy read and very informative. I am looking to get started in make-up artistry but didn't understand where to start. Because of this it discouraged me. I discovered so very much about starting a new career in makeup artistry and would recommend this publication to anyone else looking to get began with a profession in makeup.. Personally i think like I got to know the writer on a personal level and would love to meet her one day. Best buy I've made Love it! A must read! I gave it a 5 star rating because it has all you need to know about staring your very own business in neuro-scientific Make-up Artistry. she seems happy with it though, therefore my guess there exists a fair quantity of info that is good for most home-based businesses which is also awesome! It is extremely complicated and helps it be abundantly clear that you should not take this undertaking lightly. You NEED to buys this book! Honesty, it the very best cash you'll every spent to get started! she seems happy with it though just what i ordered, thanks! therefore im guessing it really is working well, shes not a MUA but a chef. my sister borrowed it though before i acquired a chance to go through it and i havent noticed it since. Nothing is left out. Certainly a whole lot of helpful details for both beginner MUAs and seasoned MUAs. Every MUA SHOULD Go through! Over all, it is a fantastic source for info in makeup artistry. Excellent. How to Start a Home-based Makeup Artist Business I really like this book! It really is well created in a good tone/language. Everything about makeup you need to know about (especially as a make-up artist)is explained and addressed in this great book, from doing the makeup techniques to performing the home-based business. One problem for this reserve I have to say is that it's only in pink and black, and has no photos of any makeup work at all. The colour wheel isn't even in colors. Five Stars I acquired this for my niece and it has great info! Best buy I've Lays everything one needs to start freelancing. I am so glad I found this book! Awesome book! Five Stars Great read for becoming more popular MUA's. It's really a great read! Not for unprofessionals This sure has the fundamentals! You can tell that the writer really wants to help you. This book covers everything, from beginning to end. Perfect. Great buy! Very comprehensive, and easy to comprehend.
