Very helpful must go through if your thinking about moving to Costa Rica Loved it Costa Rica here We come Great continue reading retirement in this area of the world. Gives you a heads up before you arrive all alone.. The Buddha lived long before Jesus!! One of the better books about living/moving to CR I've read Among the better books about living/moving to CR I've go through.... You lost credence by the end of Chapter 6 with me! To state THE BUDDHA was in an interview and so forth..... Some stuff is usually dated already but all in all an excellent book filled with much information..!.. You Are Slow on the Uptake!. Perchance you intended HH The Dalai Lama but to state The Buddha do this or stated that really threw me into questioning to bother to complete reading your book. I have read through it twice each time finding a lot more helpful insights Four Stars Clear or more to date information about all aspects of surviving in Costa Rica. Tells me you did not research very well your book.! Most typical people know better!!!!.
