Five Stars yes Four Stars Necessary class reading- good condition Five Stars Thank you!! I didn't particularly wish this book, I necessary for a class so that it served its purpose. cpr book this book contained a lot of information. Five Stars Good First Aid Textbook The book is actually readable and understand. Good Came regularly, in good condition. Five Stars Excellent! I found it very helpful for my class. I would certainly recommend it to another person.! It's got great visuals and step by step directions. It's a good book to add to a collection. I would definately recommend it for somebody with a class or anyone who has an interest.
