TODO MEJORA
CON PRÁCTICA
Y ESFUERZO.
SI TIENES DISLEXIA,
ANÍMATE, TRABAJA,
Y SALDRÁS ADELANTE

Jennifer Moore-Mallinos

Se Llama Dislexia/ It's Called Dyslexia (Vive y Aprende) (Spanish Edition)

Here is a publication for youngsters who live in households where the first language is Spanish. Your final two-page section offers guidance to parents. These attractively illustrated picture storybooks encourage kids never to hesitate of a challenge. Following each story are four pages of suggested actions that relate with the book's theme. It's one of the titles that take a child's perspective, especially if the child suffers from some physical challenge or lack self-self-confidence in going about everyday actions. Regardless of how hard she attempts, she frequently mixes up the letters or writes them backwards. The child in this story understands the alphabet, but she sometimes has trouble putting all the letters together to read words. The tale is written completely in Spanish. She's unhappy until her instructor explains that she's dyslexia, and that with special help she will overcome her reading issue.

La dislexia para niños A mi hija le diagnosticaron Dislexia con 12 años hace dos meses. Pero le ha ido bien para entender qué le pasa. Este también sera para niños de entre 8 a 10 años. En España sólo encontré libros dirigidos a niños más pequeños. No encontraba ningún material para explicarle a ella qué era la dislexia.
