This new edition of the classic reference is enhanced with hundreds of new color photographs depicting several collectors' treasures. This new book will be a valuable aid to collectors and all who are interested in period costume, jewelry, and memorabilia. Precious and everyday materials as well are located in hatpins, and the holders are usually glass or porcelain. Victorian hatpins, necessary to fasten large hats, and the holders used to store them when not in use, are presented in close sights with extensive text to interpret their use and place them among popular historical fashion accessories.

Two Stars no price guide The Definitive Book on Antique Hatpins Looked and looked for this book for many years. Five Stars Great book best one so far Hatpins very helpful A Great Encyclopedia It has wonderful pictures and great information on fakes as well as history. It has great photos and descriptions of hat pins, hat pin holders and other accessories. Thanks so much! Good Book I am using this reserve for research. I have been in a position to share so very much information with family and friends by using this book. That is a great source book for anyone thinking about hatpins and hatpin holders. Five Stars Loved this book and good service Wife loved it. Was so happy to finally find and buy it. excellent reference This is a "will need to have" book for the hatpin collector. The just drawback is it will not cover extremely early items. The facts and illustrations will never become outdated. Wife loved it. Just OK It was not necessarily informative.
