# BEADS OF THE WORLD

With revised  
price reference

 A Schiffer Book for Collectors

Francis Jr, MR Peter

## Beads of the World (Schiffer Book for Collectors)

[continue reading](#)

The friendly text and a huge selection of color photographs of beads from around the world bring order to the awesome field of growing popular interest. This brand-new publication makes the identification of beads possible. Francis's individually researched and obviously stated explanations fascinating. Furthermore, newly revised prices information makes this publication useful in the current marketplace. After that Mr. Beads of organic, stone, and glass materials are separately discussed. Jewelry manufacturers and collectors, performers, hobbyists and serious historians alike will see Mr. Francis traces certain types of beads with their origins in Europe, the center East, India, china and taiwan, Southeast Asia, North and South America and Africa--actually circling the globe. Written to encourage collectors and clarify the origins and uses of beads within their native settings, this book provides the greatest and broadest reference available to date.

Five Stars Exactly as described - many thanks ! Very informative. I ordered several bead books. Excellent. Four Stars Very nice book Very nice. Very little on S. This one was all I needed. Five Stars Great! thanks! Very helpful! Five Stars Great reference book, excellent condition! Great for a novice! Five Stars Everything perfect.\*\*\*\*\* Bead man review. Great book for reference and may be used as helpful information for pricing, if using the existing issue. Lots of helpful photos.E. Asian region, which I am interested in.
