An Ageless Retirement Though not really named as such, that is an inspiring book for serious Christians and folks with some kind of religious faith, who are contemplating to start the second half of their lives, the retirement life. Five Stars Great reserve for retirement planning Four Stars Exceptional resource from a biblical perspective; The well-documented theme of body/brain/spirit connection you could find throughout the book. Enlightening and Inspiring With so very much confusion as to what retirement is all about, Dr. The exercises are a little bit hit or miss but I came across it to be very ideal for stimulating conversations at a proper level in a group setting. This book has an excellent take on a Christian based retirement... Bought this for my Dad as a retirement present. He and my mother read the whole thing jointly. It is a genuine treasure. He discovered it very helpful. The organization of the book makes it an superb reference. A little too religious! Successful Retirement--Peace and Purpose This book is excellent for a transition from the workforce into retirement. This is an excellent read as well as reference. Love that it is written by a Catholic writer and . Johnson gives much needed assistance in creating a retirement that is spiritually grounded. Love that it is compiled by a Catholic writer and speaks to the spiritual aspect of retirement. very well created and organized! As I begin retirement this summer this book is assisting me to focus on developing a stronger relationship with the Lord, awakening areas of my entire life which have been dormant during working years and producing the others of my life an opportunity to explore new options to like and serve God even more. It really is organized into 15 well thought out chapters and written in a very concise but complete method. Two Stars Great intentions for the book. I've recommended it and loaned to numerous friends. Suitable even for non-Christians Despite not being spiritual, I came across the content of the book very insightful and provocative. It has practical and insightful assistance. Written concisely, the author can shed much light from the fifteen "pearls" of retirements. ok using for an organization I actually am in. encouraging! ok using for a group I am in.
