Great browse for all of us older "girls" A delightful story about aging gracefully. And, I felt that the book may not be as motivating for those people who have health issues that might prevent them from vacationing.. I recommended the reserve to all my friends, as we all are either one of the Girls with the Grandmother faces or we know someone who can be. It encourages people to not just sit . Book This is an excellent book for each and every lady over fifty. I'm dissapointed web pages are bent and yellowing. Frances Weaver laughs at herself and encourages you to do the same, and I did, out loud many times. It influenced me to obtain out there and take full advantage of life, no matter what age and it helped me encourage my mom to accomplish the same. I read it myself before I provided it to her and I came across it a fantastic read for just about any age! As an older woman it encourages you that your life should move on if you loose a spouse.I actually felt Ms. Weaver spent a bit too much time on the travel part of the publication. I loved it. LOVE this publication!!! If you are over 55, examine this book!. I enjoyed this book I enjoyed this book.... If your children have moved out, in case you have lost a spouse, should you have had any life changes but still have a zest for living, this is actually the book for you! Five Stars My 80-year-old mom loved this book! Also giving this for my Sister's 80th Birthday but I read it before and it describes her life flawlessly at this time so know she will love it. .. The author presents a roadmap for not only continuing to live, but also for living with a fresh freedom to do the things you have constantly wanted. . It gives you the fact that you still can be an independent person.and some things may very well not have thought of yet.. I can't wait to learn it! Wonderful, uplifting Fantastic ,uplifting, funny book.DK Five Stars Great book arrived quickly I HAVE ORDERED THIS Prior to FOR MUCH LESS MONEY. life properly at the moment so know she'll love it... I'VE ORDERED THIS Prior to FOR MUCH LESS MONEY. THIS WAS SAID TO BE NEW, BUT IT DOESN'T LOOK IT. Not what I thought it would be. I actually purchased this thinking it was a new book as I really do not see any explanation of it being used. inspirational I bought this book to attempt to find inspiration for my mom, after my dad passed away. I will return it. It encourages visitors to not just sit down and expect people to come to you but move out and enjoy the world.
