I was in love in the past and today am even deeper in love ... in fact it is wonderful ????? Five Stars Great positive message,interesting profiles,fantastic photos.. Their beautiful message of really loving "what's underneath" and embracing the authentic you is gorgeously organized with amazing photos and deeply heartfelt personal tales from the various people they have encountered on the journey. I'm deeply in love with this book One of my favorites.. just like these women who created the book This book is magic, exactly like these women who created the book. I have already been an avid fan of StyleLikeU for a long period, and it's a pleasure to have something of theirs that I could hold and flip through with the same empowering and original spirit as their videos.. A win !. Fabulous Style I really like this book, I could hardly wait for the next one. The layout, photos, inspiring stories and unique fashion make it a great gift for friends and family members as well! I'm such a big lover of the work you guys are doing and the positive message and vibes you're sending out in to the world! An excellent compilation of interviews and inspiration from all walks of lifestyle! The publication is amazing. Great job and keep up the good work.. I love the concept and every one of the people in it. Self expression is freedom. An excellent and unique assortment of enchanting human beings who have . Thank you : ) Everyone should read this Every person should read this. I was in love back then and now am even deeper in love with their mission to spread the Self Acceptance Revolution. An excellent and unique assortment of enchanting human beings who have harnessed their individuality and used their style to show the globe who they are. I adore this publication and cannot wait for another..this book is for you personally. Whether you are a lover of fashion, trend that is not based on pattern, consuming with intent, self expression, self love, self acceptance, a believer that beauty and vulnerability go together. Thank you to all or any the people who bravely demonstrated their accurate style. I'm deeply in love with this book. and it is wonderful ????? Book came with time.. I 1st discovered Elisa and Lily with their first book called StyleLikeU.. Five Stars Beautiful coffee table book. Three Stars no issues Beautiful and inspirational I was so excited to get this beautiful publication in the mail after months of waiting around!or all of the above. Not only a great thought-provoking go through, but also a visually inspirational source to go back to once you need a lift!
