A lushly illustrated guide to holistic beauty and health by the founder of Aveda(r)cross promotion with Aveda. Right now he has created Aveda Rituals, which provides a broad new holistic approach to wellness, beauty, and wellness. of mind, body, and spirit; More than 100 color photos complement the practical text in Aveda Rituals, which highlights the interconnectedness of all things: of health insurance and beauty; of our anatomies and the larger body we must look after, Earth.Horst Rechelbacher founded Aveda by creating natural plant-based beauty products in his own sink. In the last twenty years he has developed it right into a multimillion-dollar business with a conscience.The knowing that our beauty and health are depent on the environment around us along with the personal scenery of our anatomies, hearts, minds, and souls, is the foundation of Horst Rechelbacher's holistic guide. First, the writer introduces and discusses Ayurveda, aromatherapy, and his own private philosophies for life. Visitors are invited to incorporate each of their components into their own individual daily regimen, one which will keep them feeling their finest and most beautiful inside and out! Then he continues on to provide several daily rituals derived from them that contact on every aspect of life, including cleansing, nourishment, meditation, aromatherapy, rest, body movement, massage, goal setting, and stress management.
