But enjoyed it immensely and can read it again Had to read this for a course. But enjoyed it immensely and can read it again. It simply wasn't my glass of tea. not only women. Turns the male-dominated psychiatric field on its mind. Does that mean it was poorly written? Want more people knew of it and read it. It functions equally well for guys. I was not a lover of the book. Does .. One Star Very hard read Five Stars excellent Five Stars Great product!. I was not a fan of the book. Well worth the read Book provides insightful perspective about relationships and how women can support one another through mutual empathy. Five Stars A robust book. No. Must-Read A must-go through for everyone;
