Ideal for a worriwr who want to be to resolve any problem I always purchase my family small presents for our family vacations. For last year's street trip I produced survival bags for my hubby and child to keep them occupied on the road since I did all the generating (with my car sickness it is less difficult for me to drive). Fun on a road trip especially While on a road trip, this is especially entertaining. Fun for all age groups.. He found them fscinating and educational. I intend to buy him the rest of the series. A pamphlet of common (rather than so common) sense. which is a nice change on the most common variety.. At times offers dangerous options without proper security warnings, such as for example, if your car's brakes fail use the car traveling in front of you to stop yours by running into the back of it.. Hopefully I won't have to bribe a under-developed government established and I am not likely to end up being trapped on a runaway camel but easily do I will involve some idea how to do it. At the ripe age of 77(but I've not really met my expiration date yet), I may will never need the plainspoken instructions in this book! But, again, I'm prepared in the event I ever discover myself in one of these scenarios - actually in a dream!!! Fun read. I bought this to kill a while reading on a short flight. I have no idea if all of the guidelines in the publication are actually workable nonetheless it was fun to read and at least one or two could can be found in handy. but Practical! Each one a hit at family game night!But if you are looking for real life survival tips that are technical and detailed plenty of to actually use you will need a different publication and you will need to practice most of the tips. Gets the family interacting...)Enjoy it. Fun Read It was a great quick read with some valuable info if the worst stuff happen while traveling. I love it and recommend it for anyone that travels frequently to international or unfamiliar countries One hour of reading Slightly entertaining, yet trivial. We have so very much fun doing Mad Libs.. A loose collection of really significantly fetched what ifs with an even looser assortment of "answers" on how best to extract yourself. Hilarious. Sells for \$1.99, should be priced at 99 cents with a full page quantity outlined front and center. He's a worrier who stresses about everything, really over the top things as well. Other than duplicate and paste from safety, operational, and owner's manuals, there is no depth in suggestions given. He adored this book because he actually concerns about the extreme points in this book and felt better knowing how to handle them... Good to know,! I purchased it for my husband as a tale He's go through and said it was a little humorous.! Bought this for my sis who is incarcerated, she loved it! (you almost certainly won't be in a position to land a little plane in the drinking water and survive by reading over this reserve once or twice. Gift Gift Ideal for prisoners! He stated it's really valuable information and thanked me Five Stars Great for long car rides with teenagers. Perfect gift for those who love to travel Found its way to great condition Fun!

Have obtained many mad libs books now.If you are looking for a book you can end on a 45 minute flight and get yourself a chuckle as you go through and imagine yourself in the circumstances that the reserve describes-- that is your book. This was one of the items in my own husband's bag.
