How could it get any worse? For the latest book in the phenomenally effective Worst-Case Scenario Survival Handbook series, the authors possess pulled out all of the stops, harkening back to the core appeal that made the initial reserve a runaway bestseller. Whether stranded on an iceberg, becoming chased by a pack of wolves, spinning out on a motorcycle, or being buried alive, The Worst-Case Scenario Survival Handbook: Great Edition has all of the right stuff for all those times when everything goes incorrect. Discover how to take a bullet, control a runaway hot air balloon, break a gorilla's hold, endure a Turkish prison, and free a limb from a beartrap. Imperiled readers will learn immediate, hands-on strategies for surviving an elephant stampede, a 16-car pile-up, a mine collapse, and a nuclear strike. Here are all new scenarios for living existence on the very edge.

Very Good I bought several for family presents. I was introduced on the original publication by a co-worker 15 years back. Laugh and learn!. A must have for world travelers, explorers or adventuresome people who end up in unusual circumstances (like me)! But if i was. fun to read This is for our grandsons . Barely useful, nevertheless, you never know :) Fun read.. and beneficial!!A.! a good gift to give specifically to those who are hard to give gifts too! of program I had to learn it cover to cover before I covered and shown it to her! Fun read.. Barely useful, but you never know :) A good book for reading and amusement A good book for reading and amusement. I'm sure it could be useful too--but I hope to never need to find out! An educational C. But, works out the book presents great info. early teenagers . I bought this as something special for my psychiatrist and she loved it. publication for reference. Great Stuff to Know Practical method of unusual situations. I purchased this publication for my "survivalist" spouse more as a joke to 1 of his obsessions.Y. Thanks! my hubby absolutely loved this book my husband absolutely loved this book!. and yet another laugh or two and fun as ever I needed to revisit this publication, and after looking around, it seemed apparent this was the edition to get. It's still as amazing, browsable, and fun as ever. Most of the scenarios would not end up being executable by the average person as it would need practice and execution BEFORE the emergency....O... they treasured it. Unfortunately, if you are searching for a survival reserve that you could really use this isn't the publication for you. FUNNY, FUNNY, FUNNY... Four Stars Funny book! Five Stars nice I had viewed the first publication "The Worst Case Scenario Survival Handbook" before looking at this copy I had viewed the first publication "The Worst Case Situation Survival Handbook" before looking at this copy. Five Stars Hope We'm never in virtually any of the situations! This publication is too broad in its survival details.
