Strippers are the experts with regards to getting naked particularly when the topic is looking your best while wearing minimal. The Stripper's Instruction to Looking Great Naked reveals how exactly to walk, stand, and move with allure, and include confidence and sex charm into everyday existence whether crossing the room throughout the day or slipping out of your clothing for that special someone at night time. In the age of celebrity burlesque, pole-dance on Oprah, and striptease classes and exercises, The Stripper's Information to Searching Great Naked finally places the spotlight where it must be: when it comes to baring everything, it's what you know and how you work it. Authors Jennifer Axen and Leigh Phillips are "regular" females who interviewed hundreds of strippers to discover the real-lifestyle beauty secrets of baring it all. Here are quick, extremely useful backstage tips for covering body blemishes, dealing with naked "emergencies," and showcasing any body shape's best features. This daring and fun illustrated information reveals how any woman can use these racy but basic strategies to feel more confident, regardless of what her state of undress, from the beach to the bed room. Their mission: to provide these sexy trade secrets to females across the world!
