Only for the beauty connoisseurs if you love skincare, make up and looking at the stunning Thalia, then this publication is crucial. It offers beauty, skincare tips which there's an excellent chance you already know from years of reading the beauty sections in magazines. trigger she wont tell you. c'mon! In my opinion this book is ok for me.... Get influenced and pamper yourself.. hay 2 fotos en particular que boy mis favoritas y boy super hermosas! I'd rate it 3 stars only. It has some useful ideas, and suggestions, but I honestly though that Thalia would reveal even more of her beauty secrets and items that she uses...She names only a few... I needed to know the hair product that she uses, but she didn't talked about any...! Really?A few of the stuff that she says listed below are very simple, and things that we already know, for example she says celine dion gave her a beauty suggestion, when you log off from the limousine and youre wearing lipgloss, switch your head agains the wind, so the locks dosnt get stuck to your lips. Great book...?but don't anticipate her to let you know what creams, or hair products she uses. She also discusses happiness and how to get it etc. she also says that whenever she goes to the beach she orders a dozen beer.. she places it in her hair, and she gets natural highlights in this manner. i will try to finish the publication and I willl returned with a review.. I don't believe a millionare like thalia gets highlights from beers.?. She dosnt state what moisturizers she uses, or evening lotions, or anything like this.. there are 2 that are my greatest favorites and are strikenly gorgeous!.. Its a good book overall..?.. But non-etheless, it's great to have this book to review what you already know and get the chance to use those understanding again.. Great Info if you want to learn about makeup.?. i purchased this book two years ago and i just read couple of chapters, i must say i can't not advocate it.. Excelentes consejos!! the most amazing and beautiful pictures i've ever seen of Thalia ever!. However it does has the right tips like the nose contouring, how exactly to keep the make up bags, plus some others. Nice pictures though. It's Okay I did so not learn anything brand-new. it is an absolute must have for collection in the event that you trully are a Thalia lover or even a lover of Beauty. / tiene las fotos mas hermosas y espectaculares que he visto de Thalia!!. lo escrito del libro esta bien escrito y explicado y da mucha informacion buena sobre lecciones en belleza. Las frases de Thalia son muy graciosas ademas, y hace que el libro ocean aun mas interesante. es un buen articulo para coleccion si eres un verdadero enthusiast de Thalia o inlcuso enthusiast de la belleza. Thalia's catchy phrases have become amusing as well, makes the book more interesting. the created part of the publication is very well crafted and explained and gives a whole lot of great information on lessons in beauty itself. Great Makeup Book. ? super bella este libro esta increible, Thalia te describe todas sus tecnicas y secretos de belleza en todos los sentidos, yo personalmente amo este libro Five Stars ME ENCANTO One Star Trash Five

Stars Thank you Buenisimo Muy bueno el libro. excellent thanks for such an excellent product to get it and I brought it to Quito Ecuador in SOUTH USA and worked great BEAUTIFUL BOOK!
