Only for the wonder connoisseurs if you love skincare, constitute and looking at the stunning Thalia, then this reserve is crucial. It offers beauty, skin care tips which there's an excellent chance you already know from years of reading the beauty sections in journals. I don't think a millionaire like thalia gets highlights from beers. She also discusses happiness and how to get it etc. she also says that whenever she goes to the beach she orders twelve beer. Good book... In my opinion this book is ok for me personally... I'd rate it 3 stars only. / tiene las fotos mas hermosas y espectaculares que he visto de Thalia!.. i bought this book 2 yrs ago and i only read few chapters, i really can't not recommend it. I needed to know the hair product that she uses, but she didn't described any.... Las frases de Thalia child muy graciosas ademas, y hace que el libro sea aun mas interesante. It h as some useful ideas, and suggestions, but I honestly though that Thalia was going to reveal more of her beauty secrets and products that she uses.?A few of the stuff that she says here are very simple, and things that people already know, for example she says celine dion gave her a beauty suggestion, when you get off from the limousine and youre wearing lipgloss, convert your head against the wind, so that the hair dosnt get stuck to your lips... Actually??? c'mon! Get influenced and pamper yourself.! she places it in her locks, and she gets organic highlights this way. It's Okay I did not learn anything brand-new.. But nonetheless, it's fine to have this book to examine what you already know and get the chance to use those knowledge again... She dosnt state what moisturizers she uses, or night time creams, or anything like that.. However it does has some good tips such as the nose contouring, how exactly to keep the constitute bags, plus some others... Its a good book overall.. super bella este libro esta increible, Thalia te describe todas sus tecnicas y secretos de belleza en todos los sentidos, yo personalmente amo este libro Five Stars ME ENCANTO One Star Trash Five Stars Thank you Buenisimo Muy bueno el libro.. i will make an effort to finish the publication and I willl came back with a review.cause she wont tell you. the written part of the publication is very well written and explained and gives a lot of great information on lessons in beauty itself. ??..She names just a few.. exellent thanks for such a good product to get it and We brought it all to Quito Ecuador in South America and worked great BEAUTIFUL BOOK!. Thalia's catchy phrases are very amusing as well, makes the book even more interesting.! there are 2 that are my greatest favorites and so are strikenly gorgeous!. the most beautiful and beautiful pictures i have ever noticed of Thalia ever! hay 2 fotos en particular que son mis favoritas y son super hermosas!! it really is a must have for collection if you trully certainly are a Thalia enthusiast or even a lover of Beauty. lo escrito del libro esta bien escrito y explicado y da mucha informacion buena sobre lecciones en belleza.. es un buen articulo para coleccion si eres un verdadero fan de Thalia o incuso fan de la belleza.. Fine pictures though. Great Information if you want to learn about makeup. Great Makeup Reserve.but don't anticipate her to let you know what creams, or hair items she uses. Excelentes consejos!
