Winner of an iParenting Media Award, this reserve uses photographs of students engaging in a variety of real-life social situations." Children role-play abilities until assured enough to practice them in real-lifestyle interactions.) can be initially needed to explain each situation, and ask questions such as "What is taking place in this picture? A facilitator (parent, teacher, etc. Color photos illustrate the "right way" and "wrong way" to approach each scenario and the positive/adverse consequences of each. The realistic format plays to the visible strengths of kids with ASD to instruct appropriate social behaviors.
