Devine!! This reserve goes so in depth on every possible content of clothing, accessories, and much more in the vintage globe. You won't be disappointed.! First off I hate, hate, hate writing reviews. I can't express the details of this book. EASILY could had a selection of giving a greater value star wise, I'd have. Blew me away! A great Plus Size Clothes For women store online LuxbyJulia Lux by Julia Filled with information. But this definitely needed a 5 star review. I could continue for days. All the info is conveniently obtained and discovered just from becoming on the Internet. almost a love letter to vintage.! Some people might like it?!! Great Book - Just a little LONG for the info Great Book - A little LONG for the knowledge, but then again I love to get direct to the idea. From offering on E-Bay, to bidding websites (Some I never also knew of), to classic names, and the best classic websites to shop at (which I will be visiting).! A good read. Very interesting and filled with info. The list is endless. Vintage buying Very disappointing. So maybe I complain an excessive amount of about this reserve? It is is crucial buy if you want vintage clothing, sewing vintage patterns, like vintage fabric or housewares. Four Stars Very helpful. good reference nothing you aren't in a position to find on the internet if you know very well what you are searching for.. Well crafted & good reference though Resourceful This book is wonderful for someone looking to set up shop online especially e-bay. I loved how it goes over designers good at specific eras and designs. This book is just OK This book in comparison to a few of my other Vintage clothing books is just OK. It is kind of difficult to find vintage clothes books that are real good. I am sort of backing off vintage clothing at this time. It didn't have anything "insider" to speak of. I was amazed! Three Stars more pictures would be nice Sherry K No thus Insider if you are already inside. considered. Maybe as a starter for your reference library, but a practiced vintage hound likely has assimilated 99.9% of the info inside.. Eh, no thus insider if you have done any research in to the field. It depends on how far in to vintage clothes you are.
