It's just a great, great study I've been teaching adult Bible studies for many years, and never gets the response of the class been as enthusiastic as it was because of this study. It's just a great, great study. Five Stars Great book will work great with my Life Group Five Stars Much required in this day and age. Altho our members are mainly long time Christians it can help us share and become familiar with one another better. It is a smaller book, with pages for composing and contemplation, along with bible verses to greatly help in guided thinking. Altho our members are mainly long time Christians it helps us share and get to know one another better. Touches the heart. It's easy to follow and has helps in the back of the book to steer more difficult questions if needed. 25 each. It can help us consider the scripture for the week and think for ourselves how this applies to our own life. Love this book Love this publication! My girls Circle at church chose this study for this year!. Bible Study Great bible research!. My sister network marketing leads the study once a week Personal bible study - growing older \*& It can be a wonderful way to understand and develop in the way of god, the father. Download to Kindle is lousy.. It is filled with great encouraging scriptures on how to develop wiser as we age and enjoy each period of our lives! We've not finished this book but my Sunday College class really likes it. This was a great study for senior citizens. It's easy to follo Our Bible Study women are enjoying this reserve. I purchased 10 for my 93 year old mom's book research group. They love it. This one we are doing together. Wiser Great publication, questions were appropriate for finding a mature walk with God, Publication came fresh and was very well protected to send. When I had to order a significant number more weeks later, the price had gone up to \$9+. Although it was created as an individual study, there are queries at the trunk for a group. Well worth the money, Great research for Seniors. And we are older and you will be hopefully wiser once this study is complete. We proved helpful through it inside our Bible Study group and got some great discussions. Going to utilize this book because a Sunday School study . I have been doing these bible studies for several years and I like them all.. Wiser Have enjoyed this book Five Stars Item as described.. We've not finished this book but my Sunday School . Pages run together rendering it hard to use. Am going to utilize the study but would not advise anyone to download. My only complaint is that I ordered a number of books on speculation, which I purchased for \$5. Going to utilize this book because a Sunday School research and downloaded to make sure. Fast shipping.
