So happy I purchased this - great ideas! It is packed with tips on how to relate, conversation starters, and ideas for communicating less complicated. My mom is 87, and she continuously complains that people mumble when they remain her. No rocking chair, butkeep involved in life. This publication has ideas for better communications with the elderly (70's or more) and will be offering sweet concepts for how to add a little bit of joy with their life, that in turn comes back to you! One Star Not what I expected. Looks like zero thought went into writing this. That is a helpful publication to boost someone's spirits." At first I thought, easily ask these questions I'd probably get yourself a one sentence answer. This book did not pertain to my particular situation;Doris Manning One Joy Booster prospects to some other Joy Booster. She actually is getting many tips from it. Much better than expected. ? One Star Waste of money. If you work with the elderly, head to church with older people, visit with older people, or simply have an elderly family member, this is a great little book to help you make life just a little better for them. Not worth the money, it's even more a leaflet than .. Our phone conversations are much longer and have so much more meaning now. Not worth the amount of money, it's even more a leaflet when compared to a book, and its own all good sense things everybody knows currently. It inspires you and assists guide you to believe about ways to use this idea to encourage the old adult(s) in your daily life. Older Adult Activities Excellent book to start programs for Old Adults. Fact is, she simply doesn't hear good any more. This is exactly what this reserve does! however, I provided it to the experience director at my father's assisted living facility. Thank you Missy Buchanan! One idea network marketing leads to even more tips. In this inspiring and motivating reserve, Missy Buchanan manuals you to end up being an encourager and a Joy Booster for the old adults in your daily life. Each chapter is normally filled up with suggestions and concepts. You know how an idea leads to even more ideas? Author is great and understands her subject. Five Stars Ok Five Stars This book is very ideal for aging adults needing comfort and inspiration. Here's one example: It starts in the first chapter "Connecting Through Queries and Conversation. What not what I thought it would be. It has been well over 3 years since I experienced purchased this book and I'm still using this chapter to talk with my Dad.. One query leads to many others questions. Joy Boosters: 120 Ways to Encourage Older Adults. One Joy Booster leads to some other Joy Booster. Thank you Missy Buchanan! Good book-many ideas As my mom moved into a smaller assisted living facility, I felt she was cut off from things that could possibly bring her joy. This book is great for those who who ministers or cares for nursing home residents. I am always trying to find something to mix her joy capability, as she is longing for her "going home".
