## A Thousand Days of Magic: Dressing Jacqueline Kennedy for the White House

[continue reading](#)

A gorgeously revised edition of the fashion favorite book, which combines Cassini's recollections are far-ranging and informative. Jacqueline Kennedy's collection of Oleg Cassini to design her personal wardrobe while First Lady had not been only fashion history, but political history as well. Public moments as well as private ones capture the great elegance and appeal of one of the very most admired and emulated women in the world. In this reserve, Cassini offers a fascinating and comprehensive look at of his function as Jackie's coats, dresses, evening gowns, suits, and day use—and coordinated every aspect of her wardrobe, from shoes and hats to gloves and bags. During the 1000 days of the Kennedy administration, Cassini designed over 300 outfits for Jackie Kennedy—s personal couturier, a posture that allowed him unprecedented usage of both Jackie and John Kennedy while a designer and a reliable friend. Also included are Cassini's original sketches accompanied by 200 color and black-and-white photos of the First Woman as she tours India, France, England, and Italy, shows off the White Home, and hosts state dinners and family members gatherings.s clothes and their legacy, Cassini's memoirs of working closely with Jacqueline Kennedy during her short White Home years, his style philosophies and ideas, and the iconography of the first 1960s design and energy of the Kennedy years. From the details of his initial meetings with the First Lady to his applying for grants Jackie' As the creator of the "Jackie appearance," Cassini produced the First Lady one of the best-dressed women in the globe and a glamorous icon of the Kennedy period.

2015 Edition Review I already owned the 1995 version of the book, just what exactly may be the difference between that and the 2015 version? You will find loads of new photos put into the book. I've many books documenting the Kennedy Light House &... Nevertheless the book is not without some significant faults.. Some of the new text message is certainly of a darker color then the original text, actually within the same paragraph... Even with these faults, I still believe that the brand new version is an improved book to possess. I contacted seller but have not really heard anything. The reserve lacks quality control, which I found to be disappointing for a Rizzoli publication.. This book is a delight. Offers a good insight into the mind of the First Woman and her focus on fine detail and also her graciousness in acknowledging the work done for her and the knowledge involved in providing her with clothes which stunned the globe and helped the fashion sector in America. . The only reason I gave 1 star is that I .. Many of the photos are pixilated and out of focus. The only reason I gave 1 star is that I received the book and the cover is torn in 2 places making it not appealing to use as a coffee table book. Offers a good insight into the brain of the First Woman and . I will be returning the book since cover is torn and cannot consider cover off since the book under the cover is merely black. I loved all the photos of the beautiful clothing in .altogether it is a much better version, one which I highly recommend.. I loved all of the photos of the beautiful clothes in Jackie Kennedy's closet. Everlasting Magic This may be my all-time favorite documentary book. Pleasurable read at a great price. Extra sketches, photos of fabric swatches, and several, a lot more photos of Jackie wearing the clothes, along with clippings, information releases. legacy, and this is by-far the best. If you're thinking about the subject matter matter, I think this is the best book out there Five Stars Just what I expected Five Stars Beautiful memories! Magical Magical! It really is interesting to find Mr. Beautiful Book About a Beautiful Lady and Her Clothes If you enjoy style and Jacqueline Kennedy, then you will most likely enjoy this book. I have learned the importance of staying accurate to yourself in your personal styling. This is a lovely book This is a beautiful book, well crafted and the presentation is great. It really is a coffee table type book that you might appreciate flipping through casually and not one that I'd say you might want to examine word for word like a novel. A Brilliant Appear Inside Her Closet..and Mr. Like becoming inside her wardrobe process. It's as if there is no proofing ahead of sending the book to the publisher.. Glorious. Cassini's tales are marvelous. Really enjoyable book. Cassini's sketches next to the real images of the garments. I'm so happy I committed to this book! A treasure. A Treasure to be treasured!
