

THE KEY TO
~
PERSONAL
PEACE

A scenic landscape photograph showing a wooden Adirondack chair sitting on a grassy hill. The hill is covered in green grass and some yellow wildflowers. In the background, there is a blue body of water, possibly a lake or a wide river, and distant hills or mountains under a clear sky.

God loves you & He forgives you. Mr. I wish to have the hard cover reserve as a reference and foundation of my Christian trip. I love the tale about Rev. Graham walking with his young boy about unintentionally kicking the ant hill on the pathway. He apologized to his boy that he didn't mean to disrupt the ants home. Graham was a faithful servant to god, the father, I will really miss. Great reading materials from Dr. Just what a brilliant analogy of what God, our father did for us; This book is one that I originally purchased as an e-book. That is the best way to clarify Jesus to your young children. I recommend this wonderfully created publication. Rev. If he could communicate that he'd. Rest in Peace together with your Dad in heaven. You've been blessed. All you seek is right here This little book brings clarity to the questioning mind and peace to the restless and lost heart and soul. or talk about over & Many thanks for the quick response I like Billy Grahams books and I understand that I will enjoy this one A Comforting Instruction Written with Hope and Love The Xmas holidays are supposed to be filled with love, wish and peace. I should say a "born once again" Christian. His boy said he'd have to keep coming back as an ant. Graham. Great information even though you are not a fresh believer. Graham speaks the words of scripture and does not add his very own spin. He required human type, Jesus to communicate to us. Graham's books is the simplest and written so graciously. I will not hesitate in giving this easy to read and understood reserve to my friends. This book among a lot of Rev. Graham speaks with authority because he lives the words as spoken in scripture. Praise god, the father! PEACE through His Amazing GRACE . What you will find in this publication is a step-by-step group of instructions on how to be converted and that means you head to heaven when you die. Another exceptional read by Reverend Billy Graham! Uplifting The Key to Personal Peace by the Reverend Billy Graham is easily the best book that I've read this year. It is extremely brief, only 57 pages in this paperback edition, but it contains a wealth of information for anybody curious about Christianity. It is probably targeted at people investigating or new to the faith, but it is helpful to a person with their journey to salvation. Wonderful Because Billy Graham lifestyle was employment well done.99, you will want to purchase extra copies to give to loved ones. Was an excellent book... Billy Graham has excellent books open to all that wish to know even more of the gospel which book is exceptional as most of his books are for helping you on your journey. always not far from & is always comforting to read & It is short and easy to understand, and it is profound. Eternal MERCY. An extremely thought provoking short publication. There is life beyond death. is often comforting to learn & Had the opportunity to observe him once with my father Thanks so much really enjoyed this book!. or talk about over & over because this book is filled with God's perfect message of TRUTH & I have many of his books. over because this reserve is filled with God's ideal message of TRUTH & Wonderful Words I

have been a Christian for 21 wonderful years. Nevertheless, some people do not look forward to this time of year. How do we discover our in the past to peace whenever we feel so troubled in a world of uncertainty and dread? Maybe a loved one's death makes Xmas unbearable. Billy Graham is certainly no longer with us, having found eternal peace with God, however when he was alive he thought that our souls need care and attention and interest. In this reserve he explains mankind's predicament and just why God thought we would rescue us by forgiving us of our sins so we can become at peace with God forever. It will offer you convenience and understanding. As Billy Graham says: "Death isn't the end of the tale for you personally as a Christian either. We are just pilgrims passing through this physical globe with its pain and suffering.." This publication seems specifically written for those who have not found Jesus however. It may also renew wish in Christians who are having a tough time in life. Certainly recommend book. Readable and understand. Billy Graham has excellent books open to all that need to know more . 09/19/2018 ~ I keep this gem, The Key to Personal Peace by Billy Graham, always not far from & I once experienced the privilege to see him at one of his meetings with my dad! Modestly coming in at \$2. I'll meet him 1 day. PEACE through His Amazing GRACE & Awesome Book Wonderful Book. Wonderful book! He speaks with authority Mr. ~The Rebecca Review Grateful I love reading this reserve , Billy Graham backs up his passages by the bible, I would recommend this book to read !
