FOLLOWING GOD DISCIPLESHIP SERIES

an 8-WEEK BIBLE STUDY examining the Christ-life: how to experience true freedom-"Christ in you, the hope of glory"?

Wayne Barber

The Message of Grace (Following God Discipleship Series)

Grace is a marvelous subject that can never be exhausted in one study. We are able to have victory by learning what the Bible tells us is normally real living. and have strayed back under legalism.s goodness is found in grace. Many well-meaning believers have wandered away from "They possess fallen into a efficiency mentality, and, consequently, they are burned out, bitter discouraged, essential, and wondering if they were ever actually saved in the first place. All of God'grace"God' Often these people have already been deceived and so are the ones who stand at the doorways of the church and greet you outwardly with a gracious smile and an outstretched arm, while inwardly they are overcome with frustration and defeat. Church life for many of these believers is becoming their only method to measure their spirituality and not intimacy with Christ as within their daily walk.s Phrase tells us that there is more to Christian life than living every day in dread and shame. Although grace has the distinction to be in the title of several of the church names and also the subject of many music and hymns that are sung today, very few understand what it is all about and how exactly to apply it to everyday lifestyle. Book is section of the Following God Discipleship series.

Great Study for Ten Commandments Although this study guide is very detailed, it is written in language the lay person can simply understand. Especially beneficial to me as a Sunday college teacher were the queries, discussions and Bible readings leading up to the Ten Commandments. Although we are using two other books together with this one, it will be our major device for study. It really is well-written and the questions included will generate much discussion. Praise God Worth the study I liked this study and think it is good to know this is behind each commandment.. It really is an excellent reserve for both personal research or aroup research. We're just beginning chapter 3 and it is PACKED filled with truth and information. This was the most beautiful convicting and life changing bible study i've done. This was the most beautiful convicting and existence changing bible study i have done in quite a long time ... I was sad to hear he passed away but his teaching will live on. If you need God to instruct you about Grace this is the one for you. Must read!Wayne Barber writes wonderful studies and he has numerous others.. This is one of the most thorough guides on the 10 commandments. Probably the most thorough manuals available on the 10 commandments. Arrived in timely manner and in condition stated. It will expand you into a deaper even more full understanding of His Commandments. Four Stars Book was received in excellent timeframe. Excellent workbook, a "back again to the basics" book Excellent workbook, a "back to the fundamentals" book. Love these studies I have been using these "following God" series for quite some time for my devotions. Fabulous!. I am currently working through this reserve with our bible study at church and 10 other ladies. That is also a great reserve to reference during sermon planning on the 10 commandments. Warning: it's not a fluffy light study. It's a MUST browse for all Christians. My mom just ordered one from Amazon because of my strong suggestion. I love the author's composing and the insight and depth he brings to the Commandments. It will obtain you digging into scripture. That one touches every area of our lives, reminding me that, if not really for God's Grace and Mercy, I would be doomed for destruction. Be blessed and arow in your relationship with Jesus through this research!
