A must have! This is a must have for any hobby or family herbologist. A lot of great info. It contains a ton of comprehensive information on herbs and remedies which are cross referenced through the entire book. It makes and excellent partner to the National Geographic's Instruction to Medicinal Herbs. great gift got this book for my mother for christmas. she's appreciated it very much. Such knowledge would likely save lives some day. Herbal First Aid Must Just a book everyone should read. Would recommend Promptly and as promised. A must have! You can't discover/smell it 1st. But this is a valuable book for your organic library. Anything to move away from pharmaceuticals and help yourself through what God provided us on this earth to use is of value! Valuable information I like having information on what to do for various things when doctors or pharmaceuticals are not available. product arrived in excellent condition. great book. My daughter and I have about worn this publication out. He studied under Dr. Ordering a book online is comparable to ordering perfume online. Complete guide for emergency herbal treatment. John R. Great book! The instructions are super easy to read. The info in this book will make the difference whenever a life is in peril. Whenever anyone has a health issue, it's the 1st place we head to find answers! Christopher who I also studied. Herbal First Aid This is a good little book. Would recommend vendor
