The Romantic motion rejected Enlightenment reason, and embraced instead the imagination and the unknown." Followers of the existing Goth and Steampunk motions may also be interested. The audience for this book includes academics, college students, and everyone interested in 19th-century literature, art, history, fashion, and material lifestyle. This exhibition catalogue from the Wadsworth Atheneum Museum of Art examines these influences on women s clothing from 1810 1860, alongside fine and decorative arts of the time and how Romanticism forms the roots of today s Goth and Steampunk fashion movements. Outfit of the early nineteenth hundred years integrates the elements of history, imagination, religious beliefs, and even landscape central to the Passionate sensibility.
