Over 1 million folks have autism. This amount is quickly growing. His advice, designed to treat this disorder, is founded on good science and practical experience. Thirty years back it affected only about 1 in 2,500; today 1 from every 88 children in the USA and 1 out of 64 in the UK are affected. D, Writer of *Excitotoxins: The Flavor That Kills* "Dr. Currently in the United States, 4 million kids have attention deficit hyperactivity disorder, the most common learning disability, and an unbelievable one in six children are classified as learning disabled. Antidepressants, antipsychotics, and stimulants are often prescribed to greatly help cope with symptoms. Many doctors have no clue what causes autism, nor any idea how to prevent or even treat it. The only medically recognized form of treatment can be an attempt to teach affected kids how to manage the disorder and live with it. Why the sudden astronomical rise in developmental disabilities?" --Russell L. "Autism, however, is not a hopeless condition. It could be prevented and effectively treated without the usage of drugs. This reserve describes an innovative new dietary and life-style approach that has proven very successful in reversing even probably the most serious developmental disorders, permitting once disabled children to enter regular college and lead normal, happy, productive lives. There is an answer. You can stop autism now! In the last 12 years there has been a 17 percent upsurge in childhood developmental disabilities of most types including autism, attention deficit hyperactivity disorder (ADHD), epilepsy, mental retardation, and others. This book provides most recent stats on the pervasiveness of autism spectrum disorder and moreover, viable solutions. Fife has done an outstanding work on *Stop Autism* Right now! With meals lists and quality recipes galore, Dr. Fife makes the diet doable and manageable and worth your effort to check it out." --Carolyn Dean, MD, ND, Author of *The Magnesium Miracle* "Bruce Fife has produced another masterpiece. Autism is a subject that I have spent a great deal of period analyzing, researching, and authoring no one does a more satisfactory job condensing and explaining what is known about this horrible disorder than will Doctor Fife. Over the past many years autism has risen to epidemic proportions. Parents should all have got this book on their bookshelves and make reference to it frequently. This book can help millions of children who've become a victim of a health policy gone mad. No possibility of a cure is offered, as the condition is considered permanent—in other words "hopeless. Blaylock, M. Autism has quickly become a worldwide problem.

This is essential read for everybody who includes a ... This seems to go with lots of things ABA therapist have already been saying for a while. I am a grandmother who has viewed my grandchildren become ADHD and autistic. The doctors lie and tell you that they are alright for this kids. They are feeding their children coconut oil daily and placing them on low carb diets. My daughters are actually trying to invert the damage that is performed through vaccinations and other activities. Fife says in this reserve is right. The authorities found her after she was reported missing. I understand that what Dr. It is definitely accurate that they vaccinations are responsible for many of the cases. It is HEALING PROPERTIES! There are additional similar stories. What liars they have become, more interested in money after that in the welfare of the children. I understand of a woman who proceeded to go to get yourself a flu shot and ended up naked in a car in California. She left her house and everybody she knew right after receiving the flu shot. Doctors and teachers are not also sure how Autism functions. She ran a restraurant in a little town and was there everyday, before flu shot. I do believe that this all can be reversed in time but children definitely do not need most of the vaccinations that they are being provided now. That is a true story. It has become an epidemic, globally. Five Stars good book Five Stars His books are always great! A must go through for parents and grandparents Great book for parents of any kid! Increase your child to fullest ability. Five Stars I love the way he writes complicated factors in a simple way extremely easy to understand and, follow. Good book From what I've been reading. This is essential read for everybody who includes a child, especially newborn. You will want to try various other techniques. She had not been that trype of person at all. Diet can transform a lot. It may not be cure nonetheless it can change a few of the behavior. Five Stars amazing book, every parent MUST read Five Stars THIS DOCTOR IS THE BEST REGARDING KNOWLEDGE OF COCONUT & It is all about cash that the vaccination makers are making. Real Customer Reviews Please Barbara O'Neil has recommended this reserve which, to me, is high praise. Nevertheless, I would like to hear from people who have tried the techniques in this book and explain how it in fact reversed autism for them.
