Helpful Fashion Feng Shui This book takes the reader step-by-step through the process of determining their fashion personality and choosing the colors and kind of clothes that best suit that personality. I found the book very easy to read also to follow and the information very easy to check out. I highly recommend this book also to women who experience they aren't interested in fashion. The Feng Shui method of dressing yourself conceived by Evana Maggiore, picture consultant and qualified Feng Shui facilitator is an extremely different way to look at choosing clothing, colors, fabrics, and design information than you'll find in other "outfit yourself well" books. Style Feng Shui Transformed Me This book continues to truly have a significant impact on my entire life over a year after reading it! Image and colour feng shui-Ed Must for image consultants, detailed and well explained. Each segregation of principles comes with real life example which can help you relate to concepts. A different "Outfit Yourself" approach Grab a copy of this book when you can. I simply wish generally there was a little more guidance/examples of what to wear once you determine your archetype(s). Evana makes what is actually a confusing instruction manual a straightforward to follow and fun method to learn about ourselves and dressing for our modern times. Using Feng Shui for dressing to match our personality and our needs actually is easy to perform with this publication. But if faced with the decision again, I'd certainly still buy it! Style Feng Shui offers helped me gown my mind, body and spirit. I used to look in my own closet and not find a thing to use, regardless of how stuffed it had been. Now, I get excited and dress to feel a certain way or to match my purpose. Style Feng Shui helped me recognize that the way I outfit impacts how Personally i think and what I create in my life. Good book Great publication. It's made me even more creative, confident and appealing through the clothes I wear. Every morning dressing becomes fun Evana Maggiore has given those of us who dread finding dressed every morning a lovely gift with this reserve. You'll learn to look at clothing within an entirely new way and make options that are authentic and supportive of who you are. Different and much more individualized. Good stuff, however, not enough content for \$25 I love the suggestions presented in this publication, and they've DEFINITELY already changed the way I shop and consider clothes generally. This handy information will save us period from thinking about fashion with an easy way to arranging our clothing for our best advantage. That is system is a really powerful device for transformation. It produced me look at feng shui entirely new way regarding style. I'm a big feng shui fan and have quit a few feng shui books, and would recommend that one because it is a great read.
