Three Stars Good addition to the first aid emergency kit. Just what I was looking for. Great resource. Handy, concise, and small enough to take/suit anywhere. I especially like the laminated edition with the spiral binding. AWESOME AWESOME and waterproof basic no-nonsense guide to first aid that easily fits in your medical kit This is a quick, concise, small, and waterproof basic no-nonsense guide to first aid that easily fits in your first aid kit. Great reference. The tiny size is useful for an initial aid kit. That is a great little book. Five Stars Super awesome little book filled with knowledge Handy First Aid Guide Although this medical book is out of circulation at this time, it is a really handy guide for the fundamentals in emergency care. Five Stars excellent small pocket guide with good info Five Stars Perfect Concise Details Packed Into Small Size This is in my first aid kit when traveling. Four Stars On time and good content.
