Quick Read for Corporate Gal Rules Great little budget for those entering the organization world or seeking to progress from their current position. While most ambitious corporate women will get a wardrobe debate unimportant, this author takes care to identify some basic rules about appearance and decorum that indeed matter a good deal at work. I was attracted to the book by the cover and its own size. buy it now! I was amazed to find many factors I had not considered and other factors that I frankly chose never to deal with "now". Overall, a great addition to any It Girl's library! I'd rather she get it together right now, than need to rework just as much as I need to after years in the organization world! Tips Galore "It Girl Rules" is filled with quick tips to help women, youthful and old as well transform their appearance from uncertain to I think I acquired it, to self-assured and I understand what I'm doing in defining and presenting their personal fashion style. and I haven't appeared back since!" Don't think. I anticipate seeing what else produces "It Girl Rules! Embracing color, the importance of a tailor, and the importance of fit are my favorite tips!.. I thought an instant read couldn't hurt. Sharing! You might as well call this book "The Commandments to Being Glam & This is "IT" 'It Girl Rules" offers a great blue printing for females who are uncertain, or just want to verify that their issues aren't only "theirs". Tamika really breaks it down, and a funny and light go through. This book definitely inspired me to go through my closet and lastly get rid of things that had been keeping me from reaching my complete glam potential... A very simple and fast read, there is something for all to eliminate and adopt to their personal style journey!... you're not likely to regret it! I found the writing design and what to be very encouraging, & most importantly TRUE! can be a nice subtle way of hinting in a co-worker's faux pas without seeming rude... more like seeking guidance from a savvy friend you may trust to show it like it is without judgement. It's a straightforward read and I found myself saying "guilty" on a few events where I'd violated the Rules - which prompted me to start out a closet purge tonite! I'm buying another duplicate of the book for my young niece. The Best Haute Dos and Don'ts I LOVE THE Reserve! A frank, funny and favored examine! After reading it, I sensed like 'My girl is normally hooking me up with the haute dos and don'ts!'. Gotta consider heed. Even the cover, font, and images are excellent! Fab! This reserve goes the extra mile by allowing all females know that all folks, while different, go through the same issues on our street to being "it". My New Rulebook! Grab this book! Congrats, Tamika! This is definitely a short, useful, positive, directional handbook on style sense. Great Read/ Great Guide The It Girl Guidelines The It Girl Rules is a concise but very in depth guide which you can use as a pocket reference. It Girl Rules is well written and provides essential tips and tricks in a way that is not scolding. I am looking forward to the follow-up.
