Dare to Live Well, I'm not a senior yet... some day I hope to be. Van Liere delves into topics pertinent to us as we age group: the aches & Each devotion starts with an integral verse followed by a personal account. and I really like this little devotional. I've always had a center for seniors. ~Thanks!. your won't mine I liked it because it gave thus many life illustrations. the complete bit. This book gives just that. Well written, often humorous, an excellent book if you are feeling the effects of age & It's an excellent little devotional written for seniors. Growing Older is challenging THE WRITER made me smile, chuckle, laugh out loud and shed tears as I read the devotions. Elizabeth shares her personal tales in a quick, encouraging, pick-me-up type of way. :) Devotions with Seniors at heart Compiled by a senior with seniors in mind, Dare to Live both looks at lessons from the past also to aging with the grace in the present. Irrespective of where you are in existence or how old you are... you matter! Dare to Live will help you to "rediscover God's grace, hope and power for living. This assortment of devotions is usually a sweet reminder for anybody at any age group that God has a plan for our lives and uses us for His glory all the way to the end if we continue to Dare to Live... I think you'll enjoy this publication. At the end of the devotions there are four actions for the reader: Prayer, A Stage Further (verses to look up), BLOCKS of Faith, and Queries (for further reflection). You can check out their website at [... Society seems to forget the mature population, hearing close friends frequently remark of feeling invisible. I love to read their tales and find out about their struggles, their blessings. She shares verses, "Building Blocks of Faith", asks questions at the end of every devotion, and always network marketing leads you to God. The Author painted a positive and uplifting picture with shades of reality we encounter daily regarding aging, therefore I rated this publication with 5 stars. A few times I questioned the selfishness I saw, but overall, I found the book helpful. Mature Christians Only I definitely think an elderly person can relate with the things written about in this devotional but We thought it was on the depressing side to give to my dad who's not a strong Christian, so I will be giving it to a more mature Christian who'll no doubt enjoy what God must say through the pages of this devotion. I learned so very much and that I had not been too aged and God had function for me to accomplish. I am so sorry! Ideal for older adults Go through this and laugh mainly because you pray Fun devotional great devotions for seniors This book has good devotions designed specifically for the senior citizen. It really is written in large print and it addresses conditions that seniors encounter. Aging is fantastic in lots of ways, yet challenging as well.]. A few of the devotions had been mediocre, but others had been inspiring or encouraging. The Author brought the scripture passage Isaiah 46:4 clearly to brain as I read this reserve. I certainly recommend this publication to all the older but bolder reader out there, a light but meaningful go through. Devotionals for the Older Crowd This was an excellent collection of devotionals for "older adults". The author has a common sense of humor too.. pains, lack of friends, planning for our own death. Elizabeth Van Liere has written Dare to Live: Devotions for Those More than The Hill, Not Under It all! how to deal with those with God's guidance.. I thought the cover was great and uplifting but didn't go with what I thought the devotions would be about. Not Just For Those Over The Hill I'm not really over the hill at this time, but I bought "Dare to Live: Devotions for those over the Hill, Not really Under It! It got some very good queries that got me to considering. keeper! I thoroughly enjoyed scanning this devotional. It offers samples of each emotion - humor and sorrow, wish and faith, something for everyone. As I now match the group of 'older' it appeared written just for me. I need to read this again with paper and pen to take notes." Kindle Edition to read on my iPad. I'm glad I did so. "Dare to Live" is a good devotional. The title hints at humor in the publication and there is, but the devotions also pack a punch. Here are just a few of the topics covered: from gray hair, dating, grandkids, Alzheimer's, to the loss of a

partner. You'll find encouragement in each devotion..\*I received this book from Kathy Carlton Willis Communications in exchange for my honest review." If you are a senior, know a person who is, or intend to end up being one.I'll certainly be buying copies as gifts for my parents and grandparents. Great for older personal stories leading someone to ponder biblical principals. I enjoy reading it myself but cannot give it to a fresh Christian. Mrs.
