As a former victim, Key Angel represents the many nameless and faceless victims of abuse. Key Angel is the founder of Key Angel Ministry. Many people cannot understand how this can happen, but victims never choose to be abused. They never want to be victims. Through this publication, *The Walking Wounded: The Path from Brokenness to Wholeness*, more folks will be able to understand about misuse and its devastating effects on its victims. Seek His will in all you do, and He'll direct your paths..." Proverbs 3:5-6 (NLT) Each chapter includes Key Angel's true story mainly because she walks through these stages of brokenness until she reaches a spot of devastation then continues through her route of healing and restoration. No one can understand that sense of being trapped and hopelessness—unless they have lived it. She has pledged nearly all proceeds from her book, *The Walking Wounded*, to greatly help victims of misuse. "Trust in god, the father with all your heart, do not depend by yourself understanding. Secret Angel reveals how these hidden wounds begin from childhood and intensify through stages of development, resulting in cycles of abuse and victimization.before cycle is broken.

It is an excellent story and a lovely testimony. It has been some time since I've read this book, however the memory of it lingers in my own brain still. She believes the world is good and will never let her down. But much of it is not. Her story can be an amazing testimony of what God can do whenever we cry out to him for help. The trip of this book qualified prospects you from the darkness of misuse to the light of wish in God. And I would need to stop and receive the healing that God put in her words. *Walking Wounded - A tale for the abused as well as the abuser*. *Strolling Wounded* is a robust tale written by a robust lady who show how far love will go to hold a family together.") She will wait much beyond her teens, twenties, thirties, even into her forties, may not find a like at all and will finally choose a route that does not include a guy (if she wants a baby there are ways. So often we say "why do she stay" or "why would he do that" or "I just don't get it". It had taken courage to love so deeply that the hurt felt was not just physical but deeply mental. The drain that's encompassed in one's brain can only be informed by one which has experienced it. close friends who were willing to be honest in what these were seeing, led Magic formula Angel's from brokenness, to freedom from abuse, then to healing, and restoration! After 60 years of marriage I feel that people were raised in a very loving family whose parents not only took care of their children before they approved but are still giving after their gone. It doesn't make a difference in case you are guy or woman that has been abused, abuse brings you down and hurts deeply. And just why wait around until your mother provides been laid to relax to tell all of those other family? Many thanks and bless you for your constant prayers for the abused. Unfortunately, I can tell you why. Couldn't put it down An incredible life story of God's hands in the mix of all the things in our lives. The nice bad and ugly..Secret Angel, the woman who wrote this book, met a young man who "seemed" to be right, and great. I am not really debating about whether or not they were good parents because as far as I'm concerned, these were AMAZING grandparents and that's how I'd like them to become remembered!.. It required her years and years—never to only escape him—but to even realize how wrong he was. But when we do find Him whenever we do look for him whenever we ask and continue to pray he answers.Yours Truly, Child of "Abusive Sibling" From darkness to light I received this publication as a gift..this is an incredible book especially for those that have been abused I know many all over the world can relate and receive comfort and confirmation through out this book. Many thanks Secret Angel Excellently written and I couldn't help but cry out for .. Provision, protection, and deliverance - are in her book. Excellently written and I couldn't help but cry away for Angel. I am blessed to have go through this tale and hope I can talk about it with others. No escape The cover of "The Walking Wounded" gets one's attention. I browse her poem on Wordpress and it touched me immediately.) Another kind, the many (hopefully "many") women in the center, who stumble into meeting a good man who will treat them how a woman (in my mind, God's gift to man) ought to be treated..alone, in what looks like a huge wasteland, which I suspect is what she feels in her heart: alone in an enormous, empty place. It is horrible to live with a hole in your center because . But I can't help thinking why? May God be with you and keep you safe. Young girls want to trust that the world is good. And far of it really is. The abusive characteristics which are so properly disguised in public areas most times, turn into a constant source of fear for the spouse who's the victim... Whenever a young girl wants like, and meets a young man offering precisely what she's searching for.! Top secret Angel identifies the intricacies of 1 who's an abuser. Another kind isn't so gullible (yes,"gullible. *Strolling Wounded* will open one's eyes to the world of abuse in a way that changes your view's of the abused and the abuser... He wasn't.even when we don't see him or know what he is doing He views and He knows. As a man writing this review I think it is really hard to understand how a long time could

go by as she continued living with this guy who caused her unending pain. Even after she finally escaped him it appeared she didn't really escape. By the end of the book I saw no real ending.. It disturbs me GREATLY to read the beginning of this book. Nonetheless it won't reach them until she actually is currently married and trapped. She shares with such interest and emotion what really goes on nowadays with an Abuser. DISGUSTING!!!! I'm all for standing up for yourself and overcoming misuse from an ex-hubby. Kudos to you, for that I am proud. What I am NOT happy about is the lack of respect for the rest of your family.. He's still there. The ones you merely "cried" with at your mother's funeral. This book is for the other women on the same path. I don't treatment what kind of "misuse" you received from your own parents but it is certainly 100% UNACCEPTABLE to hold back until they are lifeless to publish a book saying how terrible these were. the past present and future. You said your reason for the book had not been to hurt anyone's feelings but why wait until your father is dead to write it? Thank you Key Angel for enduring everything you experienced, for the courage to step forward, for the strength to overcome the forces that kept on to you so firmly, for the like of life you under no circumstances quit on and for the desire to help others by sharing your very personal story. Because you understood they'd NEVER approve of it. This book could have been excellent had I not really seen the disgusting initial few chapters.. My center goes out to this key angel and her kids. This is a tale of her surviving years of misuse with powerful testimony of her courage and faith and the capability to be still and also have the good Lord instruction her through this darkness. Know your worth and put your rely upon God This is amazing book secret I was very touched by her story you are an incredible woman of God to have such faith to publish such a robust book with others who doubted you and didn't have confidence in you I've learned so much from scanning this and this book is the truth I could go on and on I want to give you thanks for your inspiration and for sharing your story with us you have inspired us all to all who doubt this book you are missing a treat Like you Warrior of God ?? This book is quite ideal for everyone who reads it !! This is the best and most helpful book I've read on the subject of Domestic Abuse . All will benefit and gain a larger understanding of the whole subtle abusive routine from scanning this book, including teenagers thinking about getting into a romantic relationship, those witnessing domestic misuse, law enforcement, those people who are abused, the abuser, children that grew up in abusive circumstances, etc. Her courage has and will bless the lives of many ! She not only stares her tale but she also do an excellent job researching the topic and provides her research in order that her readers are up to date , in each chapter of the publication prior to telling her own story. Eventually, her faith in God and Prayer, an excellent supportive church, and family & She also makes great suggestions to help those struggling in abusive circumstances to get help. The Secret Angel has been damaged and lifted up by God to greatly help those of abuse.! Book of lies This book is a book of lies only written for your individual gain she comes from a very respectful family whose mother was an extremely loving mother one who looked after her children till the day she passed away.! Secret Angel did an excellent job writing the Walking Wounded. well, what is she to accomplish but take that like and have confidence in it? Certainly many, many, women can recognize with that cover... I was given a duplicate of the Going for walks Wounded. Due to role playing, the exterior world experienced no idea the harm I lived with, verbal abuse. Nearly every term I read, I possibly could feel Secret Angel's pain. It is horrible to live with a hole in your heart because of abuse. There is definitely something in Walking Wounded that pertains to the shared hurt of abuse. Key Angel wrote the perfect words for me to get up more powerful and live a far more fulfilling life. Many thanks Secret Angel so truthful about what it feels like to reside in abuse Diana Rasmussen of Prayers

and Guarantees: Worship Innovator, Faith Builder, and Recording Artist Key Angel's book "THE Taking walks WOUNDED" has helped me personally to heal. Here we've a female walking. SO MUCH HURT! SO MUCH PAIN! "THE Strolling WOUNDED!" THAT'S THEIR NAME! After reading her publication, I can really say that God continues to be in control, and He makes ways where there were no ways. I came across myself diving directly into read chapter after chapter. It really is a wonderful story and a lovely testimony. Angel is so honest, so truthful about what it feels like to live in abuse. Maybe my own attitude would be better if I didn't know a young woman already upon this same path with no escape. There were many times I just stopped reading and cried - for me personally and on her behalf. Angel also shares how God directed her every proceed to stay safe and obtain out.. More than that, this book is a testimony concerning how God can reach through the darkness of abuse and rescue His valuable daughter. It touched my center and gives me wish for the many, many women she'll help set free. I would recommend this book to anyone and everyone who is or knows someone within an abusive romantic relationship. I'm am so grateful to this woman of God for sharing her story ! Our father was the type of father who seldom say those 3 words (I really like you) but we all knew he did because he was always there for all of us. Even though they had tough time in their relationship they loved each other till your day they passed away. To encourage the abused with love and compassion and to encourage with love the abuser to change because so many of them were abused themselves. And magic formula angel is there with her hands open up for that as well. as a siblin mention in this book you'll think I would have known of it before my parents both died since it was created before they passed away but she didn't need them or me to learn of it because it can be all lies.
