

# How To Clean Out YOUR PARENTS' ESTATE IN 30 DAYS OR LESS

A SOLUTIONS-BASED  
GUIDE TO EMPTYING THE HOME  
WITHOUT LOSING YOUR MIND

REVISED  
EDITION

A photograph showing a man and a woman in a room filled with furniture and boxes, likely in the process of cleaning out an estate. The man is kneeling on the left, wearing a dark jacket, and the woman is standing on the right, wearing a pink sweater and blue jeans, leaning over a box. The room is cluttered with various items, including a large sofa and several boxes.

Good Ideas in this Book Not really a thick book, but the tips inside are well worth it. There are many guidelines to use, and this book gives you an in depth outline of the best method to proceed when faced with the major task of cleaning out an estate filled with valuables and junk. Actually gives guidelines on what the lawyer should do to help you, and list of positive actions when immediately still left with a building filled with stuff and you are the executor of the estate. Will not matter if it's your parents' estate, siblings' estate, friends' estate, the suggestions in this book can help you in case you are the executor. An EXCELLENT guide! Gives you an idea of what professional appraisers will charge as a share to go through those belonging you could be left with. It helps you make options on whether to maintain points, sell them, auction them, or present them. I liked this book very much! I have been a Certified Paralegal since 1988. Not much info Very short and the last 3/4 of book are filled up with forms you would use before computers were invented. You can "google" Texas Probate or for any state that your home is in, and have a look at it. Pretty worthless after a loved one has approved. Also filled with organization assets that you could find quickly on google. I've also bought "The Boomer Burden" by Ms. Very dated and filled forms. As we proceed through this overwhelming work, we will also recognize (as I did) that guide is a superb help for ourselves as well. This book, among other legal books I bought on Amazon, were great for re-learning or refreshing my memory space. You'll be very pleased you did! Please buy a legal book pertaining to your STATE. I reside in Texas, so these TEXAS legal books were useful. The types on Estate Planning and Texas Probate are excellent for a family group to have on the home reserve shelves. You can make reference to them when have your Will prepared, or if anyone in your family passes and asks you to become the Executor of the Estate.! Whether you possess a Will, a Trust or No Will or Trust, an Estate must be probated in some way. Very fundamental info, better used if you are pre-preparing. Everyone who dies, their Estate should be probated. Jennifer in Houston, Texas.! Yes, you should this book. Even people who've a Revocable Family members Trust, which is often intended to "avoid" probate, frequently has to proceed through probate in any case because they didn't maintain their Trust current. If you are over fifty years old, you may benefit by scanning this book This book is for those who have older parents or our older selves to help guide us in eliminating lots of material items that we have gathered through the entire years, before our kids must do it for all of us and be frustrated about any of it all. It is important for old people to learn and think about applying the fantastic information in this book. Julie Hall provides great advice, obvious directions, and amazing guidelines throughout her book. Pretty good info Nice, organized info for taking treatment of the unpleasant task. This great and comprehensive guide helped me tackle going through my ... This great and comprehensive guide helped me tackle going through my parents house filled with 60 years of items once they passed away. Until I acquired this book, I simply couldn't get motivated, through the grief or know where to start. I'd examine a review and a free preview on my Kindle and decided to purchase. Reward was the checkoff lists, room for notes. Also the "where you can look for items if your beloved suffered from dementia and could have hidden items within the home". I highly recommend it! The only reason I didn't provide it 5 stars was a few of the info is normally good sense and is available on the internet via blogs, guidance, etc. Useful, but too long Although helpful this book is quite repetitive and consequently about doubly long as it ought to be. Would make a good series of articles. Keep this book on file It is important to ready ourselves for various phases in life. It really is a good book to have on hand. Tells you what ought to be done instantly when faced with the task. BUY THESE BOOKS!! Everyone ought to know about PROBATE, it means "To Prove Up" the Estate (or Will) and it's Possessions, and in a court of law. Quite often I have to refresh what I learned in school. It'll save

many future headaches by removing so many stuff that aren't being used now and probably gaining some cash by selling it to others. I LOVE My Book Purchase I'm a 60 12 months old Paralegal. Hall. GREAT reserve as well! Four Stars Great! I learn a whole lot of new things. EXCELLENT guide for anyone with the daunting task of cleaning out their parents' estate filled with "stuff"! I recommend buying both of these excellent guides. Five Stars extremely great and fast delivery A++++ Many thanks so much! An attorney can explain.
