Wallie Exercises

[continue reading](#)

Wallie is mostly a wonderful pet, but his super-laziness has become a problem. Learn essential fitness concepts while following Wallie on his hilarious journey to get in shape. Will he enjoy the change from pudgy pup to healthy hound or will he return to his lazy ways? With just a little help from a big friend, Wallie learns how exactly to exercise. So his boy convinces him to be on an experience to get fit. A unique section with an increase of information and primary exercises (performed by Wallie) will get every kid (and pup) worked up about exercise.
