The Reserve That Gets Better With Age group is a assortment of aphorisms and stories about the things that can get better as we age.As you read the book, the type gets bigger. It includes a humorous and insightful look over the looking glass of maturing. And, the illustrations that accompany each chapter illuminates the idea that aging is actually full of promise rather than a diminishment of lifestyle.

I simply love this book I simply love this reserve. It makes me smileugly shoes is the best, we all have made comments on the subject of shoes. Comfort and ease Yay. In Muslim country's it really is acceptable to stone women to loss of life who had been raped. En summary, un bon bouquin, Tim. I now am considering observations I've made . My fave? Many a time, as an excellent advertising man, Tim keeps the mirror to the reader and you can't help thinking, boy, do I relate with that.. A lovely publication.? In each chapter he paints the mural of lifestyle with truth, humor, and heart! My favorite chapter is 7: "Appreciating Variations. artwork is super ,overall, understand this treasure for your friends they will love the book and you. This is a fun read and would make the perfect gift for someone . I treasured it !. as you read it. It makes you laugh and just know, been there done that! This is a fun read and would make a fabulous gift for someone turning 50's gift (or even older) Due to the fact, I've grown older, the book feels as though it was written about me. Even a Frenchman mainly because myself can think that "Tim is talking to me personally". Thank you for the great read!.. enough ready! Some of my favorite insights come within the chapters of Truth Gets Easy, Forgiveness and The Sky. The fun is locating the chapters that resonate with your personal experiences. A lot of truisms found here. love for his fellow babyboomers Again, Tim is proving that his family name is not undeserved ! This is a charming publication, filled with empathy and, yes, like for his fellow babyboomers. will make a list for Publication #2Kale . The actual fact the printing gets bigger and I can actually read it devoid of my reading glasses near the end makes me chuckle. The writing is direct, yet charming and elegant. As I change the pages i find myself stating yes yes I could relate with that !where did it come from ?.. That is a satisfying read with brilliant moments of enlightenment for all. Wisdom without preaching!. Relaxed Thought Provoking A cute little book which makes you think about things if you are of a particular age.. The actual fact that I do look at the sky more closely these days. The brighter side of aging!. One Star Over priced, less articles as I expected. When I was youthful, I barely gave these occasions a passing glance. Enjoyable and brilliant The writer, Tim Love, gives the art of aging a captivating palette of colors in his newest release, The Book That Gets Better With Age.. If our laws and rules are simply we don't need to understand or value contrary beliefs if they fall beyond your realm of social justice. A glance at Maturing This delightful collection of wisdom from a seasoned professional will make you realize and treasure the good things about aging. The unique illustrations combined with the fun thoughts in this reserve will stretch your thinking about the following chapters in your life!. Tim Love's book offers preemptive wisdom for all those yet to traverse through the journeys of life and a lovely reminder of the enlightenment that the perspective old provides to those that already have." I always thought I embraced differences among us, but I always filtered distinctions through my cultural zoom lens. I read THE BOOK THAT GETS BETTER WITH Age group in one sitting I read THE Publication THAT GETS BETTER WITH Age group in one sitting, and now I return back for bite-sized morsels of inspiration and entertainment. It's on my bedstead now with Tag Twain's WIT AND WISECRACKS, James Allen's AS A MAN THINKETH and Norman Vincent Peale's POWER OF POSITIVE THINKING. usually the rising and establishing sun are small highlights, liquid moments that I cherish and make an effort to hold onto.. A wealth of wisdom within an exciting read. Can't wait for another edition. I keep buying copies to provide to my friends! Really bad advise there Timmy I actually thought it was an enjoyable book with 1 exception. Chapter 7. Appreciating Differences, .... we should look for what's right or wrong through a different zoom lens.....to initial understand and appreciate what's different before passing judgement on what is best or wrong.. You imagine we should make an effort to understand this? If other peoples thought in slavery, we have to NOT pass judgement? what a shame! Actually not good advise there Timmy. Warm, Engaging and Insightful - Read It At Least Twice! The Tim Love I know is wise, thoughtful, warm and funny, and the ones traits shine through by the bucket load in this gem of a book. Every chapter gave me pause for believed, and this is one of those books to keep going back to. My favorite chapter is 7 I came across every chapter relevant.! A lovely little book which places a smile to that person and your brain. Sam Kim's perspective is an insightful

change. I was fortunate to understand from Tim Love, at a relatively young age, the primary lesson in Chapter 10: Perspective. A lesson that has served and proceeds to provide me well.truth be told, I hate growing older, but so many of Tim Love's little chapters made me smile and nod.
