Common Sense in a Book I love Julie Hall's books. They are filled up with good, no nonsense estate/stuff planning. Her book explains potential obstacles and questions to ask myself concerning this process. Great informational read for people looking to downsize! After having Ms. However, what about the title. The title of this reserve, "What Am I Going To Do With All My Stuff? She explains how to handle going through an estate where family members and nostalgia can threaten to take over. Intended for people in the 50-70 year old range, this book helps guide people through the procedure of cleaning up the older to either consolidate for smaller living quarters or for when coping with estates after people move. Hall does a fantastic job of trying to explain to readers the way to handle a job that can be daunting, defeating, emotional and draining." by Julie Hall lets you know specifically what you are going to obtain when you read this publication. Of all the valuable details in this reserve, I found two points very interesting. The foremost is how to discern the true value of an item. Something that might seem worth a lot of money for you may be because of the sentimental worth it bears for you. This is where employing a professional are a good idea. The second reason is how Hall explains how to move top to bottom level and room to area listing the supplies you will need so that you can get the job done quickly and efficiently. Overall, if you are facing the duty of cleaning up a deceased adored one's home or are simply trying to downsize the mess you have in your home this is definitely the reserve for you. Ms. Hall is very obvious and concise with her recommendations and methods and in the long run you will feel accomplished and at peace with employment done well. underrated reads. Who's with me?. I would highly recommend this book and this author. Step-by-Step guide to simplify your stuff My garage area has so much items that I can't recreation area a car! Total review is published on www. This book is so practical! I have to SIMPLIFY and get rid of all this stuff! Drop by her website <http://www>. So I found this GEM of a reserve. She tells me where to start and how to thin out every area. Julie Hall has virtually covered all my concerns: what has value, what must i keep, do I want professional help to clear out my stuff, perform I want a sale or auction, what about my mother's belongings now that she's gone? That is like hiring a professional to solution all my questions and struggle beside me with all my stuff. She even adds assistance on how to Forget about my belongings and feel great about simplifying my life. Great for handling my own household, in addition to managing an estate if the necessity arises. I have no idea what's in my attic. I would recommend this book when you have already decided to simplify, even if you aren't fully convinced yet that you can release. This book gives everything you need: all the advice, all the steps, all the wisdom of experience. Invaluable tips on deciding the value of most your "stuff" Whether you are downsizing or going through the belongs of a loved one who has passed away, Julie Hall details a process of going

through all that "stuff" and allows you to decide what to keep, offer, donate or trash. There is indeed very much in this ninety four web page book that you'll desire to maintain it for reference. There's a storage space facility nearby but I don't need to pay the regular monthly rental. I provide this helpful how-to book 4 great stars! GREAT Resource This is another great book by this author. theestate lady.. Just what a priceless book to guide us through those chores we all will face at one time or another in our lives. They state you can't tell a book by it's cover. I and my family have discovered books by The Estate Woman to be extremely helpful and informative. Anyone who is downsizing or just attempting to simplify their home, This is actually the perfect guide for YOU!com I knew this book was the perfect a single for me to help rid my very own home . Hall so carefully and lovingly deal with my parent's belongings with such understanding and expertise, I knew this reserve was an ideal one for me to help rid my own home of clutter and just plain ole "junk"! Publication is well-organized, succinct, and thorough. STRONGLY SUGGESTED - Great Gift I was lucky enough to receive this book as a gift. This has been a god send in assisting me with my parents estate and my very own as well. The Estate Lady has various other titles that I have since purchased and discovered to be helpful aswell. This book is concise and incredibly informative.com/ for even more great information about this subject and others.
