Finding the right housemate can feel just like a gamble and intensely risky. It's an easy-to-follow readable guide with tales and interviews. This book will take the reader from the initial idea, "Maybe I should have a housemate" to actually living with one. The author draws on her behalf twenty-plus years of knowledge in coping with "former strangers," to present a clear process that will enable the reader to find the right housemate. The book contains a particular chapter for one parents considering sharing housing. Worksheets for each stage are included. how exactly to negotiate the details of living collectively; and what kind of background checks and references are helpful. The book continues with chapters on in fact living together what to expect and how to manage. Annamarie Pluhar's book, *Sharing Casing*, reduces the chance by guiding the reader with a practical process, insights and ideas. how to write an advertisement; Within the web pages the reader will find: how to get rid of inappropriate people quickly and safely; This book can be an important for anyone seeking to possess a housemate –from temporary short-term casing to long-term dedicated intentional communities.

This is a great book! solutions for both house owner & It's got a million tips on how to rent rooms and so forth but, for me, there were two standouts that helped me immensely. Initial, Annamarie produced a big point to say that grownups perform better not living alone. This notion moved me from sense that putting up coping with another mature was just about needing to share expenses. It was about creating a genuine home. Looking for a area mate, house mate take a look out! . Three Stars Kind of basic but based on real life experience so helpful if thinking about going this path. Once I shifted my focus and had at hand a list of topics Annamarie recommended exceeding with any potential housemate, the decision was easy. My fresh housemate and I had been delighted at finding so many values in common. Thanks, Annamarie. A whole lot of interesting tips I would haven't thought of I have been contemplating getting a housemate as I've more home than I want in a market that still hasn't recovered. Although I haven't produced a final decision, this publication really opened my eye to things I would have never thought of. Helpful book Has all of the info I need to find they type of house that's best for me as I age - co-housing, shared housing, etc. Annamarie's reserve, Facebook site, workshops, etc. I was also surprised to learn that house sharing is a growing trend. Nothing Much Helpful Here The book carefully avoids the most critical issue: how to handle different wellness changes of the occupants. I believe it'll be an advantage when either I or roommate run into obstacles. Annamarie's publication, Facebook site, workshops, etc. are treasures - certainly built on caring, compassion and a lifetime's well worth of experience. Readable and worksheets are so useful in determining .. Five Stars lots of great suggestions and insights about a lot of things I hadn't thought of in sharing my house. Readable and worksheets are so helpful in determining house share possibilities for me and my potential home mate. This is a big positive cause I'd never thought of before. Excellent information and incredibly helpful to make decisions on things We never thought of:) Great Book Annamarie has done a great work of including almost anything approximately housemates and roommates in this publication. This is among the books you should read if you are not used to finding roommates for shared housing. Even if you're experienced, I'm betting you will grab a few valuable suggestions.. Second, after two disasters in choosing locations to live, I understood that I'd been looking for real estate instead of looking for the right person. Really good info Lots of good tools & This is a great book. seeker.... The publication covers mostly boiler-plate stuff and, in my opinion, provides no significant assistance to the really important issues It was good but mainly from the standpoint of somebody who already . Extremely easy to read.. It was good but mainly from the standpoint of somebody who already includes a house and looking for good roommates. Well worth the money in case you are thinking about going this path. And it gives very useful guidance on how to discover and choose the right place to

live in and roommates to live with, and how alter to modify things if needed. Very helpful for aging seniors. Five Stars Lots of useful information.
