Dictionary of Emotions: Words For Feelings, Moods, and Emotions

[continue reading](#)

Are you feeling elated, or are you more enraptured? Are you a little bit glum, or could it be more like melancholy? What we use to express emotions are as plentiful and nuanced as the feelings those terms describe. The book will help anyone searching for to enhance their emotional intelligence with a vocabulary of emotional awareness and expression. Psychologists, therapists, actors, authors, and those who are connected with these fields will see Dictionary of Emotions a great communication tool. The reserve's accompanying definitions derive from the context of sense and so are intended to be considered a starting point to greatly help shape an individual's interpretation of both the word and their experience. Dictionary of Emotions: Terms for Emotions, Moods, and Emotions is a thorough reference reserve of such terms.
