What to Do When I Die: A Survival Guide (Slice of Life)

[continue reading](#)

A survival guide for your lover, this book can help you record what you know about running a house - with all its associated financing and responsibilities - because it may be a complete mystery to your lover! It provides you the opportunity to capture that knowledge and shop it in one memorable place prepared to share, in order to continue to use your understanding long after you're gone. The book is split into the following chapters with easy-to-fill-in query and answer sections, plus blank pages for note-acquiring and adding extra thoughts: Finance, Automobiles, Property, Household Routines, Pets, Untangling the net (on-line accounts, memberships etc), The Trick is ...), Coming to a Close (debate prompts with space to record end of life arrangements), Further Thoughts (space for additional musings, inspirations or queries to handle) and Resources. (your family's unique routines for solving exclusive complications! It's about how exactly you can give your partner the best possible begin to living in your house and continuing to make use of your knowledge long after you're gone.
